INTERNATIONAL ORGANIZATION OF WOODEN MONEY COLLECTORS

VOL. XVI

JANUARY, 1979

NO. 1

SAMUEL F. SEIBERT (#510)

Born July 29, 1910 in the Dutch Country of Staunch, Pennsylvania to Dutch parents. My education: Elizabethtown High School graduate plus various specialized courses in numismatics, construction, auctioneering, building materials, and sales promotion.

I was the fifth of five boys and two girls to follow. Spent most of my life in the town where I was born except for the 3-1/2 years in the military service of my country, also many trips traveling about this great land of ours, plus six trips abroad.

I served 25 months in the ETO in WW-II in England. Arriving there June, 1943. July 1943 I started to collect foreign coins while stationed there. My first coins were given to me by two Englishmen, as a token of friendship. The rest I bought in London in junk shops, coin shops, and the big auction houses. Bought 50,000 coins while there. Sold many but sent 8,000 of the

choicest home. In 1972 I took 1000 back to London and sold them there at auction. When I became a civilian I joined twelve local coin clubs, being founder member of five. Founder member and first President of PWMS.

As an active member of many coin clubs, have been responsible for the design of their wood. Have designed and collected wood since 1962. Have attend 8 of the 9 past ANA and IOWMC Conventions. Being a licensed auctioneer have sold some of the outstanding coin collections such as the Wayte Raymond Collection. These sales are held in the big city hotels. Served as Convention Chairman for MANA in Harrisburg Penna. in 1967 and again in 1978. I am active in GENA.

Antique autos also consume some of my time. Owning a 1914 Model T Ford Roadster. I am a member of three Antique Auto Clubs, having held various offices in same. Currently winding up my third term as Commander of the American Legion. Served my time as member and President of Local Planning Commission.

I was a building contractor by trade and built two apartment houses with 20 units. All in all, I've enjoyed a busy life. My wife Martha and I were married in 1958 and she enjoys all these activities with me. She is my right hand, secretary, and my traveling companion.

Past President: Harrisburg Coin Club (6 times); Hershey Coin Club (9 times); and Elizabethtown Coin Club (6 times).

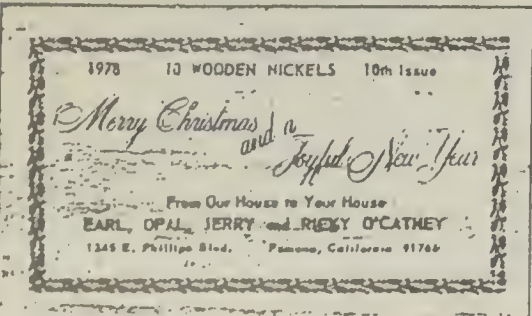

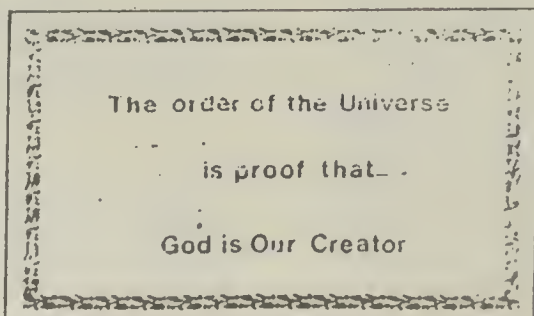

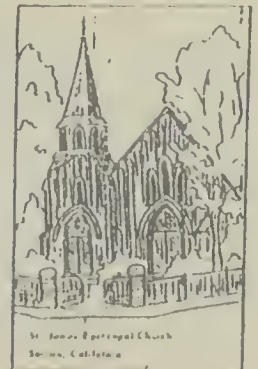

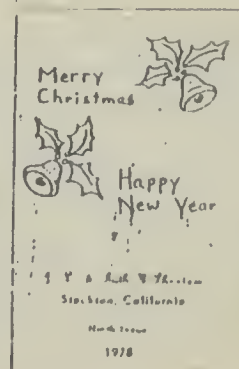

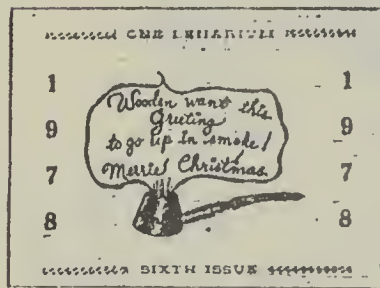

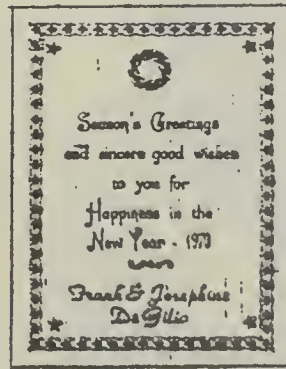

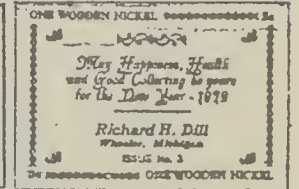

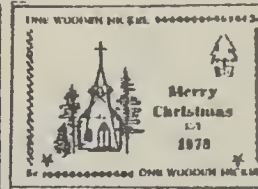

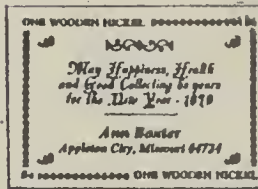

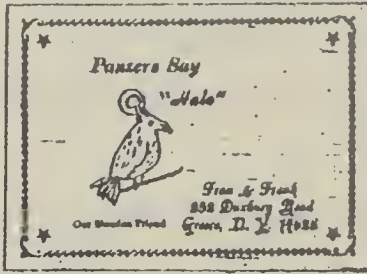

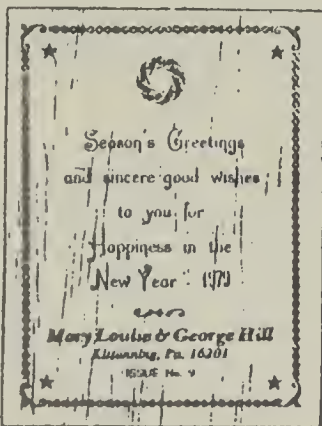

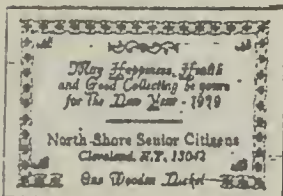

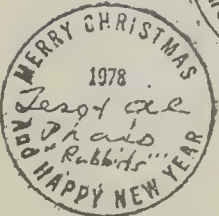

(Signed) Sam Seibert

# CHRISTMAS WOODS - FEATURED ON THIS PAGE ARE AN

ASSORTMENT OF CHRISTMAS WOODS THAT WERE ISSUED BY MEMBERS. FOR AVAILABILITY, SUGGEST YOU WRITE THEM. DON'T FORGET TO ENCLOSE A S.A.S.E.

## JANUARY PRESIDENT'S MESSAGE

First, Best Wishes for the Year 1979 from the Officers of I.O.W.M.C. During the month of December, all of us received wood in the expression of Joy and Happiness for Christmas and the New Year. Several of these woods, both round and flats, were of interesting themes and messages. It brings to mind, in addition to the fun that we get out of our hobby, the friendship that we have acquired thru our hobby, the friendship that we have acquired thru our mutual interest of collecting wood.

Many thanks to those that send wood to me. If there are any members who did not receive a Christmas wood issue that I gave out in 1978, please let me know and I will be most happy to send you one for your collection.

1979 brings to mind our dues. To keep our organization financially sound, if you had not paid your dues as yet, please make it a point of doing it right away.

Have you acquired a member or two for I.O.W.M.C. to make it larger; and to have greater participation of those who have interest in collecting wood? St. Louis is the location of our gathering of wood collectors and we are going to have a great time. On the drafting board, which you will hear about next month, is the 15 anniversary get-together. I will, following the approval by the executive board members, be able to announce the restaurant that we will hold our gathering, the appointments of those who will be in charge of running the affair of the 15th anniversary activities, and I am sure they will have a program that will be worth your while to take part in.

During the period of time of July 29 thru August 3, on two different days, we will have, first, the 15th anniversary get-together and another day, our general membership meeting. Won't you plan on going to St. Louis, Missouri and taking part. SEE YOU THERE.

Have a good month of January, and happy collecting.

Sincerely,

(Signed) Walter H. Riley  
President - IOWMC

## I.O.W.M.C. OFFICERS - 1978-1979

PRESIDENT	- Walter Riley
1ST VICE-PRESIDENT	- Stan Brown
2ND VICE-PRESIDENT	- Donna Streeter
SECRETARY	- N. R. Mack
TREASURER	- Dorothy Mack
EDITOR	- Virginia Dennis
BOARD OF GOVERNORS	- M. Wayne Dennis
	- Tom Hudson
	- Randy Streeter
	- Barbara Trace

## APPOINTEES - 1978-1979

Asst. Secretary	- Dorothy Mack
Asst. Treasurer	-
Asst. Editor	- M. Wayne Dennis
Awards	- Donna Streeter
Jr. Adult Chairman	- Frank DeGilio
Jr. Wood Banker	- Greg Moyer

The organization is getting new members  
thru the effort of a few members. KEEP UP  
THE GOOD WORK. Your 1979 dues are NOW due.  
IOWMC's year runs from January through  
December. Have you sent in your dues yet?  
Time is slowly running out before your  
name will be dropped from the membership  
roster, and I am sure you don't want this  
to happen. DON'T PUT OFF WHAT YOU SHOULD  
DO TODAY ---- SEND IN THOSE 1979 DUES.

(Signed) N. R. Mack, Secretary

## WOOLLY BEAR

Woolly Bear Bank declares bankruptcy, along  
with the winter weather prediction for a  
long, cold, wet winter ahead for Cecil  
County, Maryland.

The amount of nickels ordered to pay for  
the Woolly bears fell far short to cover  
the payment for the little catapillars  
brought in by thirty eight entrants, which  
turned in a total of 738 requiring payment  
of 1,476 Woolly Bear Nickels. Due to the  
inflation of American money, offers of  
such were rejected by the entrants, which  
felt the value of the Woolly Bear Wooden  
Nickels were more sovereign. A rush order  
has been placed to the central Wooden  
Money Bank at Fremont, Nebr. in order to  
settle the judgements against the local  
Woolly Bears.

A black and brown pair of nickels can be  
purchased for 25¢ plus SASE from Walter  
A. Scott, 413 Delaware Avenue, Elkton, MD.  
21921.

(Total-500 black and 1500 brown issued  
below has been stamped in red.)

Signed: Walter A. Scott

## MANA-PWMS COMBINED SHOW

MANA-PWMS combined show was a successful  
function. The following IOWMC members  
won awards: Greg Moyer, Lois Moresello,  
E. G. (Rusty) Bailey and C. Kramer. Runner  
ups were presented certificates: Frank  
DeGilio, Stan Brown, George Parfet, Mel  
Moyer and Walter Scott. Other awards were  
given to Clarence Kramer; while Stan Brown  
was presented a plaque for being the  
Numismatist of the year - 1978.

CONGRATULATIONS TO ALL.

## BARNESVILLE, OHIO - 170 YEARS OLD

Barnesville is a community with a proud and rich heritage. Founded in 1808 by James Barnes, a Quaker who migrated to South Eastern Ohio with fellow members of the Society of Friends. Barnesville is now 170 years young. A devout and hard working man, Barnes had earlier founded a smaller settlement in Maryland which also bears the name of Barnesville.

Throughout its history, Barnesville has been the hub of a productive agricultural region. In earlier years, the area was known far and wide for its delicious strawberries, and tobacco was in later years an important crop and several cigar factories flourished here. Glass decorating has been another major manufacturing industry and remains so to this day.

In recent times, the development of Eastern Ohio's vast coal fields has seen the production of coal become the Barnesville area's leading asset.

Barnesville also boasts of a milk processing plant, garment factory and mining equipment foundry. Numerous smaller firms, and an active and attractive "small town" business district add to the villages economic strength.

Barnesville is also proud of its medical care facilities. The spacious and modern hospital, is one of the finest of its kind in a community of comparable size in the United States.

Immediately west of town is Belmont County Airport. With a surfaced runway of 4400 feet and 60 feet wide, the airport serves executive-size jets. The airport is rated for instrument landings.

Barnesville Exempted Village Schools provide excellent educational opportunities of some 1700 students. The staff includes 85 professional persons. Barnesville is very proud, too, of its Memorial Park. This facility, another product of Barnesville people's initiative, is one of the finest community recreational areas in the community recreational areas in the entire area.

Another popular Barnesville attraction is the "Gay 90's Mansion Museum." This 26 room mansion, constructed during the heralded hey-day of the 1890's, is the of-

ficial museum of Belmont County. Each year thousands from across America visit the museum to view its Victorian-era decor.

Barnesville celebrated its 15th annual Ohio Pumpkin Festival this last weekend of September. A wooden nickel was issued again as it has been since 1974. This years top pumpkin was a light 316 pounds; smaller than last years 356 pounds due to a dry summer here.

Plenty of clean air, beautiful countryside and abundant supplies of fresh water are among the other important assets of this classic American small town.

(Signed) Don Hanse (#867)

## WOODEN MONEY FROM PACIFIC OCEAN STATES AND PICTURED, OTHER THAN BUFFALO & INDIAN

For the collector who may not be as fortunate as I have been to have as many round woods from Washington, Oregon, California, below is a story of them.

WASHINGTON: The visit of Old Ironside in 1933 were the souvenirs of several Washington towns. Aberdeen, a 25¢ piece with a picture of the city founder, Samuel Benn on reverse. Also Bremerton had Old Ironside on their 25¢ piece that was issued by the American Legion. Longview also issued a 25¢ piece with a tree on the reverse of their Old Ironside wood. The famous oyster piece of Olympic also had a picture of Old Ironside on it. Hoquiam, 1933, a 3" diameter silver piece with Old Ironside on both sides of the wood. In 1939, the Spokane set of 64 pieces had Coulie Dam, Curly Jim, and J. Glover on their wood.

For its annual Fair, Aberdeen, 1971 had an umbrella with rain drops on their wood. Ephrater, 1959 had a map of Grant County with a covered wagon.

In 1939, Hoquiam had a multi-colored 3" diameter wood for its 50th anniversary with Paul Bunyan and his donkey on it. And of course the Blaine wood all had the Peace Arch on their 1933, 1955 and Bicentennial woods. All in all, Washington's round woods have a group of historic pictures on them.

OREGON: Oregon not too prolific an

issuers of woods, did issue a few woods with pictures on them. A bone of contention who was first in the state for years-Klamath Falls, 1933 was listed as the first wood in Oregon. However, it was issued in August, 1933 by the American Legion Post honoring Capt. Applegate, famous Indian Fighter so that actually is not an official wood.

However, North Bend in July issued wooden money. It was used for money and passed as such. Two series of five different denominations of each series. Altho no picture on them, it should be mentioned for those who do not have either woods. Other round woods with pictures are Clatsop Co. in 1955. Its sesqui wood had a picture of surveyors & Explorers Lewis & Clark with an Indian on its wood.

Hood River in 1959 for Oregon's Centennial had a 50¢ piece with an apple on it. A local product and the State Seal on the reverse. Independence in 1959 had cover wagons and from Independence, Missouri to Independence, Oregon.

In 1967, a uniface wood, Linkville (Klamath Falls) Ferry to freeway had a picture of a boat and building on Klamath Lake. For its famous Round-Up each fall, Pendleton starting in 1959, had a bucking bronco on their woods. In 1975, the Timber Carnival in Primeville had a woodman with an axe on his shoulder.

For a number of years, Veronia had a friendship wood made with two hands shaking hands, starting in 1957 and being issued in 1958, 1959, 1964, 1967, 1968, and 1969. The 1966 piece also was issued for the town's 75th anniversary. In 1964 Woodburn had a Diamond Jubilee wood with a circle and spoke of the wheel had a list of all the towns' accomplishments.

CALIFORNIA: Calaveras County in 1966 had a frog on their Jumping Frog Jubilee and so did Delmar in 1967. Brawley for its 1970 Cattle Round-Up and Rodeo had a cowboy on a bucking horse on theirs.

Carpenteria's 1966 woods had an Indian overlooking the landscape. A 2" diameter wood was issued "Alaskan Wooden Dollar" by Hope, Alaska. Century City, CA showing scales weighing a gold nugget.

Coalinga, 1956 had an oil derrick. Colton

had a map of California in 1962. Delano, 1973 had a centennial wood with a train on a track by a windmill. Escondido, 1971 had its annual Kit Carson Days with a picture of him on their wood. Felton, 1968 had a centennial wood with a covered bridge on their wood. Fontana, 1958 had a bucking bronco on its Rodeo Wood. Humboldt Co. in 1964 had an arrowhead (stone type) on its centennial wood. Idlewild had the state bear on their Bear Festival with the state flag on others. Lakewood, 1970 had a map of Chili on its Pan American Day wood, and its 1976 Centennial wood had crossed flags.

Madera County, 1968 had Diamond Jubilee with a diamond on one side and a map of California on the other side showing a heart where Madera County is located. Merced County Fair Wood had a bag of money. Mono County had its famous courthouse on its centennial wood.

Oakdale's centennial wood had an oak tree on their wood. Paramount, 1967 had a map of California and pictures of various business buildings and according to a friend of mine, who was on the Chamber of Commerce told me in confidence the town was going to be one of the All American Cities, and put a shield on it. It didn't happen so there are two varieties. Petaluma in 1968 had a cow and a basket of eggs on their centennial wood. Plymouth 1970, Gold Dust Days wood had a gold miner jumping for joy on its gold colored wood.

Pomona for its centennial set, 1¢, 5¢, 25¢, 50¢ and \$1 in 1975 had a picture of a girl with a cornucopia and dog with the major signature on reverse.

Ridgecrest for its Empire Desert Fair had a boro on its 1967 wood. Ventura has a sail boat on its 1966 centennial wood. San Jose, 1969, had a bucking horse on its Fair wood. In Santa Rosa, had beer steins on its October Festival woods. Taft's 1965, 1970, 1975 Oildorado woods had oil derricks. Sunland-Tujunga, 1955, for its Old Timers Day had an old miner on its wood.

All in all, California wood has a lot of wood with pictures other than the usual buffalo and Indian on them.

(Signed) Tom B. Hudson (C-13)

FEBRUARY, 1979

NO. 2

ADAM W. FRITZAL (#1231)

1920 was a very good year. I was born September 10 in Los Angeles, CA. I have an older brother. (Also have a step-mother and step-brother as my Dad remarried a few years after my mother passed away when I was 15.) In early 1921 we moved to Maywood, a suburb of Los Angeles. Here I grew up attending grade and high school.

Having been interested in cooking and after one year of college, I attended Frank Wiggins Trade School taking their full cooking courses. My first job was Sanfords Cafeteria in Los Angeles in 1939.

After Pearl Harbor the draft beckoned but I enlisted in the U.S. Coast Guard June, 1942. After basic training I was assigned to the Bellingham, Wash. Base, a 3rd Class Cook. I was hospitalized June, 1943 where I met my future wife, Helen. She was in nurses training which she gave up and we were

married. October, 1978 we celebrated our 35th Anniversary.

Luck was on my side as I spent almost 3 years at the base. Our son, Wayne was born January 1945. Finally I shipped out and spent time in Alaska. Helen & Wayne were able to come to Ketchikan, Alaska.

The war over, we returned to Maywood where the twins Kathy and Clara were born June, 1946. But early Fall we decided to return to Ketchikan. We stayed 5 years & most of the time I worked at the post office. Helen worked at the hospital. James was born in June 1949 and Mary in April 1951. We now have four wonderful grandchildren.

150 inches of average yearly rainfall was getting to be too much so we returned to California, settling in Torrance. I started working at the Gardena Post Office after a short stint at Northrop Aircraft. After 28 years, plus the 4 years of military, I retired July 7, 1978.

Helen returned to college and received her degree in teaching. She started her career in Redondo Beach City Schools in 1957, where she is still at it. In 1971 she returned to Long Beach State College for her Masters Degree.

I joined the Torrance Coin Club in 1965, where I met the Dennis's. In 1970 Virginia was getting interested in Sambo Coffee Chips & it rubbed off on me (Thank You, Virginia). This lead to joining CWMA and IOWMC. Besides coin collecting, I am also interested in stamps and pieces of ivory. But Sambo's is where my heart is.

(Signed) Adam Fritzal

2 pc. set (Black-Blue).  
Price: 50¢/set plus SASE.

As I stated in my January message, I would report to you the members, on the developments reference to our 15th Anniversary get-together in St. Louis, Missouri.

Here goes---First, we have to have people to function on a committee to arrange the program. I have appointed Stan Brown, 1st Vice-President to be General Chairman of the 15th Anniversary get-together, and Donna Streeter, 2nd Vice-President, to be co-chairman. Between Stan and Donna they will work together to appoint members to take over certain responsibilities in making our affair a great one. I am sure in future Bunyan's Chips there will be reports given by both Stan and Donna as to plans, etc.

Tentatively reporting, for the lack of a signed contract between IOWMC and Rodeway Inn, St. Louis, we plan on hosting our affair at this named location. Plans call for a "BRUNCH" beginning at 10 am on August 2, 1979; and following, we will hold our activities in the same room and such will continue until 3 pm on this date. Stan Brown already has informed me that there will be special wood made for the 15th anniversary, possibly a printed program, an auction of wood, and many activities that will be of interest to you.

Now it is up to YOU -- In order to make this "BRUNCH-15th Anniversary a success. You will have to participate, we hope to hold down the cost to you in every possible way, therefore, make a point to have your vacation time include the date of Thursday, August 2nd.

This month of February brings forth two of our past Presidents of the United States birthdays -- President Lincoln, February 12th and our 1st President George Washington on February 22 or it may be celebrated on February 19th. Maybe someone will issue some woods for these two Past Presidents. Also in February is Valentine Day, I have seen many issues (wood) relating to this date of February 14th. In closing, Happy Collecting" and have a good month of February.

Sincerely,

Walter H. Riley

I will be out on maneuvers until the 15th  
of February. Dot will handle my duties,  
as well as her own, while I am out at sea.  
This is a reminder to all that have not  
send in their 1979 dues--in another month  
you will be dropped from the membership  
list -- do not hesitate, PLEASE take a  
few minutes and do it now.

(Signed) N. R. Mack, Secretary

### NEWS FROM RHODE ISLAND

The N.E.N.A. Convention is a thing of the  
past but many good memories linger on. There  
were some beautiful exhibits, coming  
from California, Delaware, New Jersey,  
Canada, Connecticut, Massachusetts, and  
Rhode Island. The exhibits ranged from  
3 beautiful cases on Polish Currency to  
rare & expensive paper money, Canadian  
money, Early American Coinage, PNC's, E-  
longated Coins, and Wooden Money. The  
judges had quite a difficult time judging  
the paper money as one exhibitor had an  
exhibit worth \$35,000. In the Miscellan-  
eous Category there were PNC's, Elongated  
Coins, First Day Covers, Wooden Money, and  
items made out of shredded money.

The banquet was held on Saturday night at  
7:30 pm in the Cranston Hotel Banquet Room.  
I was quite surprised when the Master of  
Ceremony announced my name as winning 1st  
prize for my Wooden Money Exhibit, Sally  
Kirka of Conn. 2nd prize for her Elongated  
Coin Collection; and Elmer Anderson, Pon-  
tiac Press 3rd for his PNC's. Later on  
Sally Kirka was awarded the Good Will Am-  
bassador medal and a beautiful plaque by  
the Numismatic News Editor. Walter Riley  
was awarded a beautiful engraved tray as  
most valuable member of N.E.N.A. for 1978.

My wooden nickels, with the Rhode Island  
Red was the hit of the show, so all in all,  
the convention was a huge success as far  
as I was concerned. Sure wished you all  
could have attended.

I have the convention woods for sale, 2  
for 25¢ plus SASE, (See Pg. 14 for wood.)

(Signed) Toni Cichy, 74 Thelma Irene Dr.  
North Kingstown, R.I. 02852

TYPOGRAPHICAL ERROR January Bunyan Chips  
(Pg. 5) I inadvertently transposed the ap-  
artment number of G. Littrell. Should be  
41, not 14. Gary wrote the P.O. requested  
help to reduce the number of letters coming  
in incorrectly.

## COUNTING MY BLESSINGS IN 1979

Having experienced two crippling storms in two weeks, Chicago is undergoing a massive clean-up snow renewal program!

There is "NO BUSINESS LIKE SNOW BUSINESS" ... at present! Many of us remember our 1967 record snow but our 1979 is far worse because when our 1967, January 26-27, 23 inch record snow with high winds and ice storms broke, there was not any snow on the ground. We ended our 1978 with a major snow storm, of record weather of sub-zero, and leaving a foot of snow on the ground.

THEN--on January 2nd we had the same problems as the end of the year--heavy drifting snows and ice and extremely bitter, cold sub-zero weather, which has developed into an "Emergency State" with hazardous travelling, caved-in roofs, terrific fires from worsened weather conditions. Our biggest problems are parked and stalled cars everywhere, hindering snow removal.

Chicago's motto is "I WILL" and, as a Senior Citizen I am "Counting My Blessings" and trying to "Think Happy Thoughts" as I listen to SNOW TALK on my radio, almost around the clock. I, for one, DO NOT have "cabin fever" or "post holiday frustration. I am taking advantage by writing notes and letters to my many friends and pen pals. Our Chicago schools are closed so I have "Grand Central Station" here with children constantly in and out.

"Whether or not we have weather" and we have snow skiers having a "ball" in our Lincoln Park in Chicago. On the serious side, everyone is "digging in so we can dig out" of our 30 plus inches of snow now on the ground and still snowing.

"I Love My Chicago" and have my wooden money to tell you so. If any of my friends would like one for his or her personal collection, let me know! I also have a few of my "I am Glad I Am An American" of 1977 for you.

Happy New Year to all my wooden money collector friends. "The old we leave without a tear; the new we hail without a fear, because I know that o'er it all, Rules He who notes the sparrow's fall!"

Blessings, Adelene Scott  
9657 Hamilton  
Chicago, ILL. 60643

## LIGNADENARIST LINGO

IOWMC member Joy Parrish was recently featured in the Collectors News, which is a monthly collectors paper with headquarters in Grundy Center, IA. The full page article which brought to light many facts about the early Tenino money, various other early issues as well as Sambo's coffee chips, also contained a picture of Joy with part of her collection. I thought the article was well written and beyond a doubt should stir some interest in this great hobby of ours.

In all probability, Joy Parrish has received as much or more national publication space, as anyone in the hobby. Over the years she and her wood collection have been the subject of many articles. Joy considers herself more of an historian than a collector and does a lot of research on commemorative money. This may well explain why she has been contacted by the various news publications so frequently.

Another article which caught my eye was contained within a larger feature article in the Antique Trader, another Iowas based collectors publication. It mentioned under the heading of Wooden Money, that we who are so involved are known as Lignadenarists and that we have our own organization which is known as the American Wooden Money Guild.

"Oh really!" I thought. "Whatever happened to the IOWMC and the DWMC?" Possibly my memory is slipping but I was thinking that these two national or international organizations, as the case may be, were the leaders in this field of wooden money. Of one thing I am sure, it was IOWMC and DWMC who met with the ANA last August in Houston, to hold annual meetings. It was also those two who held elections, appointed committees, reported on funds in their respective treasuries, and it is also the same two who publish monthly publications, designed to keep the membership informed on members, new issues, and etc. Oh well, everyone can't be right all the time.

Don Lindgren recently underwent surgery in an Omaha hospital & is now recuperating at home (Rt. 1, Colon, Nebr. 68018). I suspect that Don would appreciate receiving some cards & letters and maybe even a few pieces of wood from his old friends among our own ranks. We hope Don gets to feeling better real soon.

Yours in Wood,  
(Signed) Gelvin F. Leeper

MAIL BID - Send bids to D. C. Mack, 38 Kamehameha St., Charleston, S.C. 29408. Postage and insurance will be added to all lots. CLOSING DATE TWO WEEKS AFTER MAILING DATE.

MARCH, 1979

NO. 3

MARY K. PLASTERER (#502)

I was born 11-17-11 in Chambersburg, PA. Moved to Carlisle, PA 2-28-28. Met my husband, John Milton Plasterer 1-1-30. We were married 6-30-31 and started our lives together in Shippensburg, PA.

We only had one child son, John Richard born 2-7-33. He married Nancy A. North 5-6-72. They blessed us with a granddaughter Alisha Renee' 10-12-74.

John Milton passed away 1-24-77 after 45-1/2 years of a happy marriage. I thank God for our many hobbies, especially collecting wooden money as we spent many hours, and years, together collecting and cataloguing wood.

Of our many collections, wooden money was my first love of hobbies as wood always fascinated me. I have been collecting wood for many years; & have thousands of pieces.

I prompted the first wooden money show for Pioneer Wooden Money Society. Held in Shippensburg, PA 10-7-70 -- A Great Success.

John Milton and I designed the set of wooden nickels, 90 pieces, for the Shippensburg Coin Club, celebrating the 240th anniversary of Shippensburg, PA - 1730-1970.

A big thrill in my life-when John Milton organized the "Independent Wooden Money People," Shippensburg, PA July 13, 1975. At our suggestion, I.W.M.P. issued a 200 piece set of wooden nickels for the 200th Bicentennial of the United States '76 in July 4, 1976.

Second big thrill-the Bicentennial wood was delivered to our home and we were surrounded with 289,000 wooden nickels. A lot of work to make up sets, but a lot of fun and cooperation from I.W.M.P. members.

Have attended many A.N.A. Conventions and wooden money shows. The reward-making many dear friends & their friendship I cherish.

What do I specialize in collecting wooden money? Answer - all woods that carries a denomination, date, town, and state. I just love wood.

I'm of the Episcopal faith, but let us all remember, "We are all aiming to go to the same place only taking different roads to get there." With this little note, I say "God Bless You All."

## MARCH PRESIDENT'S MESSAGE

Going to St. Louis? Going to take part in the 15th anniversary of IOWMC? We hope so. Stan Brown, General Chairman, and Donna Streeter, Co-Chairman of the 15th Anniversary Committee reported to me that they have selected a few people to be members of the 15th Anniversary Committee already and are seeking others to be on the committee.

As to St. Louis and our general meeting -- as you know, at our general meeting, the Award Committee presents certificates in wood to each of those who writes a published article for Bunyan's Chips. Have you something to write about that might be interesting to the members of our organization? If so, send it to Virginia Dennis, Editor, 18814 Florwood Avenue, Torrance, CA 90504; or if you don't have an article then, how about sending a picture of yourself and some background on your life and collecting history, etc. to Barbara Trace, P.O. Box 70242, Los Angeles, CA 90070. For those who send "Portraits" (picture and history of collecting, etc.) to Mrs. Trace, will also receive a wood certificate (if published) at the general meeting.

On to other matters relating to IOWMC and Bunyan's Chips -- do you have something to trade or sell? If you hadn't read before it may be of interest to you --- members may advertise up to 10 items "FREE" per year. If you want a paid ad - 1/4 page cost only \$3.00; a 1/2 page cost only \$5; and one full page is only \$10.00. By taking a free or an AD that is paid for, you will be helping yourself, IOWMC, and perhaps a member or more.

This month of March we celebrate St. Patrick's Day on Saturday, the 17th -- I have in my collection wood in celebration of St. Patrick's Day given out or sold by the A.O.H. of New Orleans; and I am sure there are other organizations and individuals that have wood for the 17th of March. Maybe this year, you will come across St. Patrick's Day wood.

In closing, Happy Wood Collecting; and HAVE A GOOD MARCH.

Sincerely,

Walter H. Riley  
President - IOWMC

## I.O.W.M.C. OFFICERS - 1978-1979

REINSTATED MEMBER

# 519 - Irene Alexander  
Box 11555 Parkwater Station  
Spokane, Wash. 99211

CHANGE OF ADDRESS:

#1292 - H. C. Schmal  
P.O. Box 5238  
Phoenix, Ariz. 85010

This will be your last issue of Bunyan  
Chip's if you haven't sent in your 1979  
dues. Do not confuse IOWMC dues period  
with other clubs--IOWMC dues run from Jan-  
uary through December. Why not stop this  
minute and write your check and put it in  
the mail, if you haven't already done so.

As you review the new members, you have  
noticed that we had a former member rein-  
state and another one rejoin. Keep up  
the good work recruiting former members,  
as well as newer ones.

(Signed) N. R. Mack, Secretary

SICK LIST

Word has been received that we have some  
members who are laid up with various he-  
alth problems. Our very best wishes and  
speedy recovery goes to all. May your  
illness be short.

Kazuma Oyama (#1020) was scheduled for  
open heart surgery on Friday, Feb. 2nd.

Carol Green (#1222) had surgery Feb.13th.  
With no further setbacks, should be out  
of the hospital within two weeks.

Greg Moyer (#J-1141) fell on the ice and  
broke his hip. He had surgery Jan. 11th.  
Presently he is recuperating at home and  
last report said he was doing fine.

Sgt. Omer Noel (#287) is still under the  
weather. The following is part of a let-  
ter he wrote explaining all.

Jan. 17, 1979

Dear Friends:

This is not my method of communication. Due to the fact that I have received so many "Get Well" cards from so many of you asking the question: "What happen, Sarge?" that I have no other alternative but to give you an answer in the form of a news letter.

Most of you know that for the past few years I was having trouble with my stomach and had been under doctor's care, with the medication only lasting a short time. My pains was steadily increasing and got to the point I couldn't eat and lost the will to do anything and felt like sleeping all the time. In October, Jessie (Mrs. Noel) was worried that she spoke to the doctor. He said that he could do better if I only would get over my stubbornness & come in and see him. To make a long story short, Jessie told him to make the arrangements and I was admitted in the Newport Hospital on October 31st.

Finally after 11 days, 5 units of blood, 10 bottles of I.V., both pain and fever left. After more test, it was decided I should have surgery to remove a small polyps in my lower bowel tract, which took place Nov. 21st. The doctor told me later I was the luckiest man alive as a cancerous tumor, the size of a plum was ready to burst, and would have, if I hadn't gone in. After a very strict bland diet; and on 6th of December I was finally able to go home.

Upon my first first visit to the doctor's office, it was discovered I had some swelling on my lower left side, so I had to wear a belt. I had a bronchial cough and the doctor was afraid that I may give myself a hernia. So, as I have stated, I am home but not out of the woods.

On December 28th, more unpleasant news. The hospital, checking my charts, found something that was hidden in the area of the cancer. So on January 8th I started on ten weeks of some kind of therapy. So on January 8th my fluorourocil therapy was started. It is a shot in the nerve at the elbow. The cost, WOW! \$25, a shot, if all is well, it is worth it.

With reference to my hernia, I do have one and it is a beaut--the size of half a grapefruit. It does not hurt except when I cough, and that is often as I have a chronic brochical cough. They can't do anything about it until all therapy treatments--so will continue wearing the belt.

So, friends this is the best that I can do

right now and hope that this answers the questions. Thank you all for your wonderful cards, they did make me feel better.

(Signed) Sarge

\*\*\*\*\*

#### CONGRATULATIONS

Grandpa Scottie & Grandma Mayme are bragging about the latest addition to the family--their 5th granddaughter was born 1-20. Ann Marie Scott weighted in at 8 lbs.3 oz. and was 20" long.

Wonder how many buttons Mayme had to keep sewing on Scottie's shirts?

\*\*\*\*\*

#### NOMINATING CHAIRMAN'S REPORT

For the second time I have been named the Chairman of the Nominating Committee; and I hope I can get as much response and input as I did last year.

Please RUSH your nominations to me as soon as possible as we have a shorter period this year in which to obtain answers.

I must have all nominations verified by the 15th of May so the ballots can be printed and mailed by the 10th of June in the "Chips." They must be back to me by the 15th of July so I can get them to St. Louis in case I am not able to make the meeting; especially as we have no way of knowing when the meeting will be held at this time.

NOMINATE, NOMINATE, TALK POLICY, WORK FOR THE GOOD OF THE CLUB; BUT DON'T FORGET TO VOTE when you receive your ballot. This is your club, take a hand in helping guide its course.

We will be voting for President, 1st Vice-President, 2nd Vice-President and one Board of Governors. Thanking you for your help and cooperation on this.

Good Luck and Good Pickings,

(Signed) E. Ted Wolverton  
P.O. Box 501  
Stroudsburg, PA 18360

\*\*\*\*\*

#### SICK LIST

Stan Brown was admitted to the hospital 2-14. After a phone call, learned he was discharged 2-22; & is home recuperating. Dianosis unknown at this time but doctors ruled out heart attack.

... Happy to report Kaz Oyama is home and progressing fine after his open heart surgery.

## 15TH ANNIVERSARY COMMITTEE REPORT

Would like to take this opportunity to report to all that the Committee for the 15th Anniversary have been corresponding & have planned for: #1 - A souvenir program in which we will have patron and patroness list. Some pages with advertising and we hope to make it one that all will wish to keep. Walter Scott has agreed to handle the putting together of same. As soon as things are cleared with the printer, there will be more info coming forth on this.

#2 - We are planning on having souvenir flats for the occasion.

#3 - After the brunch, we will have a few speakers - mainly we hope, well wishers.

#4 - An auction will be held afterwards. Now is the time for all good members to think of those woods they would like to donate. N. R. Mack will receive all the donations and give all credit for same sent in. There has been criticism that some members have not got credit in the past. This will change if you submit the woods and give your name as the sender.

After the auction, it is thought this would be a good time for swapping, trading, and selling by the members attending.

To date, the Committee other than Donna & I, will consist of Aunt Dot Orlik, N. R. Mack, Walter Scott, and Ken Paulsen. Ken living close by St. Louis will be a welcome one to us being that close and make contacts that we all miles away could not. As time goes on, we might have to call on others to assist us.

As Walter Riley has said, "We (Donna & I) will welcome any suggestions and answer those questions we can.

More on the celebration as time goes forth. Please note your calendar now and make every effort to attend the 15th Anniversary. Might add as a footnote, our celebration will not interfere with the Ladies Luncheon, as that is schedule for Tuesday. We also hope this will not interfere with any other function that you will be wanting to attend.

In closing may I say that here's hoping to see all of you in St. Louis, MO in 1979, especially on August 2nd. THINK WOOD, PAY YOUR DUES, AND AT LEAST ONE NEW OR REINSTATED MEMBER. My best to all,

(Signed) Stan Brown  
117 Brown Street  
Elkton, MD 21921

## 15TH ANNIVERSARY SOUVENIR PROGRAM

Being asked to be editor of a program for IOWMC's 15th Anniversary, gives a great opportunity to help in making our wood collecting hobby GREAT.

Hopefully, it will be a cherished item for each member to add to their collection. All members will receive a copy by mail or at the affair to be held in St. Louis, MO., for a nominal fee.

Several ideas have been submitted, and any suggestions submitted will be evaluated and if possible, used.

It is hopeful that "ADS" and "PATRONS" will cover all the cost; and that no club funds will be used.

### AD COST:

1/8 page - \$ 6 ) Please forward AD in  
1/4 page - \$10 ) formation & cuts, in-  
1/2 page - \$15 ) cluding payments to  
1 page - \$30 ) the Program Editor:

Walter A. Scott, 413 Delaware Avenue,  
Elkton, Maryland 21921.

Cover space is to be reserved for wood collecting clubs. The clubs will be contacted.

"Patrons" wishing to take part in the program are requested to send their name and \$2 to Donna Streeter, 900 Stanton, Bay City, Michigan 48706.

A special wood cover program will also be obtainable from Donna Streeter or Walter A. Scott. Price of the Souvenir Program will be published as soon as we definitely know. Program will be numbered; and numbers requested on first received order will be met up to the total amount ordered. Advance sales will be accepted.

The deadline for ads, patrons, special orders will be no later than June 10, 1979.

(Signed) Walter A. Scott &  
Donna Streeter  
\*\*\*\*\*

### EDITOR'S COMMENTARY

Time is of utmost importance-the 15th Anniversary Comm. Reports had to be published in this issue. There was no alternative but to omit stories that were scheduled to appear in this Chips. Have articles from Joy Parrish, Sally Kirka, Tom Hudson, Walter Scott, G. Leeper, G. Ayers, Toni Cichy, Adelene Scott & M. Wildasin. Bear with me and all stories will be published as soon as space permits.

MAIL BID: CLOSING DATE: April 10, 1979. Low bids are listed. This collection is from a wooden money collector from the 1950's. Send bids to Tom Hudson, 1806 Rogers Street, Apt. 3, Long Beach, CA 90805. (F) Oblong; (R) Rounds--All woods are official, unless noted. Add postage and insurance to All bids.

## 15TH ANNIVERSARY AUCTION

Stan Brown, General Chairman of the 15th Anniversary Committee, asked me to be in charge of the auction. It is indeed a pleasure to accept this responsibility and be able to do my share in this great undertaking for our organization.

Now I must ask for ALL your help. Auction material is NEEDED. This auction will be both a mail bid and from the floor bidding at the special Brunch Meeting Session.

Owners of the auction material will receive money realized from the sale; however, there will be a 10% charge to cover auction expenses.

Also material will be accepted as "DONATIONS," with all these proceeds going into the I.O.W.M.C. Fund.

Auction lots must be in as soon as possible in order to be ready to get it finalized and be published in the June issue of Chips.

For further information, write to N.R.Mack, P.O. Box 395, Goose Creek, So. Car. 29445.

(Signed) N. R. Mack

### ANY WOODEN MONEY TODAY?

As I was reading one of our newsletters on wooden money, it brought back the memory of the fun I had at one coin show a few years ago at one of the clubs that I belong to, the Uncas Coin Club of Norwich, Conn.

Like I said a hobby is what you make of it and I enjoy mine. We have a table at most of the coins shows with my brother and my Uncle Al who I love dearly. By the way they usually sell wooden money too. On this particular Sunday my brother (who is also my twin) and my Uncle Al were smiling so sweetly as I came in, so I wondered what they were up to. You could see my brother was excited, but he still said nothing. To me as I looked at him I wondered if he had swallowed a canary. He reminded me of a cat that just ate one and enjoyed it.

For a few minutes I just looked & wondered what happened, but no one seem to tell me, so I blurted out, did you see any good wooden nickels, or elongated coins today? Then I turned and saw a large box about 2½ ft. high & 2 ft. wide. My surprised look was, where did you get all that flat wood? Yes, the box was just filled with flat wooden money and a few other kind. Some were in packages that were never opened yet, or until I got into the box.

Now my brother explained that a dealer wanted to sell as much of this wood as he could. It seems a big time dealer had bought this wood made in the 30's and 40's but I really forgot the dates. The wood was all printed by the Rogers Production of Fostoria, Ohio, or most of it. This dealer had died and his wife was selling out all his stock. So I asked, how come he still had all this wood as some was like new in the packages that weren't open. I was told the dealer bought all this wood during the depression years cheap and when he couldn't sell it, he put it in his stock room and just forgot about it, I guess. His wife also said, I think he would have been surprised himself had he done a spot check of the things he had before he passed away. Just think all these years they were in his stock room.

Anyhow I had the time of my life digging in that box picking out as much flat wood as I wanted. As the wood came in series of different kind I had to open every package. What made my Uncle Al laugh was he said, I didn't come up for air for over three hours. Like I said I was having the time of my life. I bought up what I wanted and then made special packages for other dealers who were buying some too. So what was almost a full box sold out very quickly to the dealers. What I liked is I also bought those large heavy four inch wooden 25¢ pieces by the rolls. There was 20 pieces in a roll that I didn't break open. I also ended up buying a few of those sets of Broken Bank Notes too. These are the size of the real Broken Bank Notes.

Now like this man, who put the wood away and forgot about it, I did the same. Right now if you asked me where are they, I'd have to stop and think, where did I store them? I know I have sold many at coin shows as the years went by, but I still left enough for my own collection.

So do as I do, if you have a chance to go to the coin show or a coin store, ask do they have any wooden money today? You may be lucky as I was looking through a box of wooden money for hours. Happy Hunting.

Signed: Sally Kirka (#C-136)

MAIL BID: Lot 1 thru 60 are all round and complete sets. Send bids to N. R. Mack. P.O. Box 395, Goose Creek, S.C. 29445. CLOSING DATE: Two weeks after mailing of Chips.

TO ALL CURRENT CHARTER & LIFE MEMBERS

Thought it would be nice to have a few comments in our 15th Anniversary Souvenir Program from as many of you (and I hope all will) that so wish to do so.

Please submit to me in 25 words or less your expressions or thoughts on I.O.W.M.C. past and present.

Would appreciate hearing from you on this anytime soon but please no later than April 15th, as it will take time to compile and fit each into space in the Program with Walter Scott.

If by chance you are one of the fortunate members to have both a L.M. and C numeral, please list both by your name.

Thanks and hope to hear from you all.

Respectfully,

(Signed) Stan Brown

ST. URHO'S DAY  
March 16th.

This modern tongue-in-cheek legend has added another touch of humor to Finnish culture. It appears to be the Finn's answer to St. Patrick, who drove the snakes out of Ireland. The Finns are able to up-stage St. Patrick by having their celebration on the 16th. of March, the day before St. Patrick's Day. This is how the story goes:—

One of the lesser known but extraordinary legends of ages past is the legend of St. Urho, the patron saint of the Finnish vineyard workers. Before the last glacial period, the legend goes, wild grapes grew in abundance in the area now known as Finland. Archaeologists have uncovered evidence of this fact scratched on the thighbones of giant bears that once roamed northern Europe.

The grapes were threatened by a plague of grasshoppers until Urho banished the lot of them with "Heinasirkka, heinasirkka, mene taalta hiiten!" In memory of this impressive demonstration of the power of the Finnish language, at sunrise each March 16th, Finnish women and children dressed in royal purple and Nile green gather round the shores of the many lakes in Finland and chant what St. Urho chanted many, many years ago; "Heinasirkka, heinasirkka, mene taalte hiiteen!" Translated, this means, "Grasshopper, grasshopper, go away!"

The adult males, dressed in green costumes, gather on the hills overlooking the lakes, listen to the chant, then, kicking out like grasshoppers, slowly disappear to change costumes from green to purple. The celebration ends with singing, dancing polkas and schottisches, and drinking grapejuice. These activities may occur in varying sequences. Colors for the day are royal purple and Nile green. The overpowering act of St. Urho is commemorated in the following:

### ODE TO ST. URHO

\*Ooksie, kocksie kollne vee, Santia Urho ista poy for me;  
He sase outa hopper pig as pirds, Heifer pefer haf I hurd dose vords.  
He reely told dose pugs uf green—Prafest Finn I efer seen.  
Sum celebrate St. Pat unt his snakes, Put Urho poyka got vat it takes.  
He got tall unt strong on feelia sour, Unt ate kalla mayakka efry hot'.  
Tats vy dat guy kud sase dose peetles Vat crew as thick as chackbine needles.  
So let's gif a cheer in howefer pest vay; On the 16th. of March—

ST. URHO'S DAY!!!!

The "St. Urho's Day story was sent in by Norm Fletcher (#630) of Bay St. Louis, Mississippi.

Norm informed me that wood has been issued for several years for this, The St. Urho's Day.

Price is unknown.

Official Publication Of

INTERNATIONAL ORGANIZATION OF WOODEN MONEY COLLECTORS

VOL. XVI

APRIL, 1979

NO. 4

MARY LOUISE HILL (# A-852)

Some time around the Christmas Holidays in 1969, I gave my husband a subscription to Coin World as a gift. In one of the first issues, there was a notice of a wood piece being offered by George Parfet as a fund raising project for his church. Out of curiosity, we sent for it. Then letters from George, plus a few others, started coming in. All these doing their best to get us interested in wooden money collecting.

In the meantime (unknown by me), my husband had sent an application for my membership in a club called Christmas Coin Collectors Club. He collected coins in a small way & thought this would be a hobby that would interest me.

Anyway, to make a long story short, I was accepted in C.C.C.C. Through the persistence

of those aforementioned, we joined P.W.M.S. Not long after that, I.O.W.M.C., and later I.W.M.P.

To be truthful, I am more of a "wooden nickel widow" than I am a collector. I do enjoy having all various issues (especially at Christmas) come in. The sorting, the cataloguing, & putting all these in their proper place is not my "cup of tea." So, the hobby has gradually become more my husband's than mine.

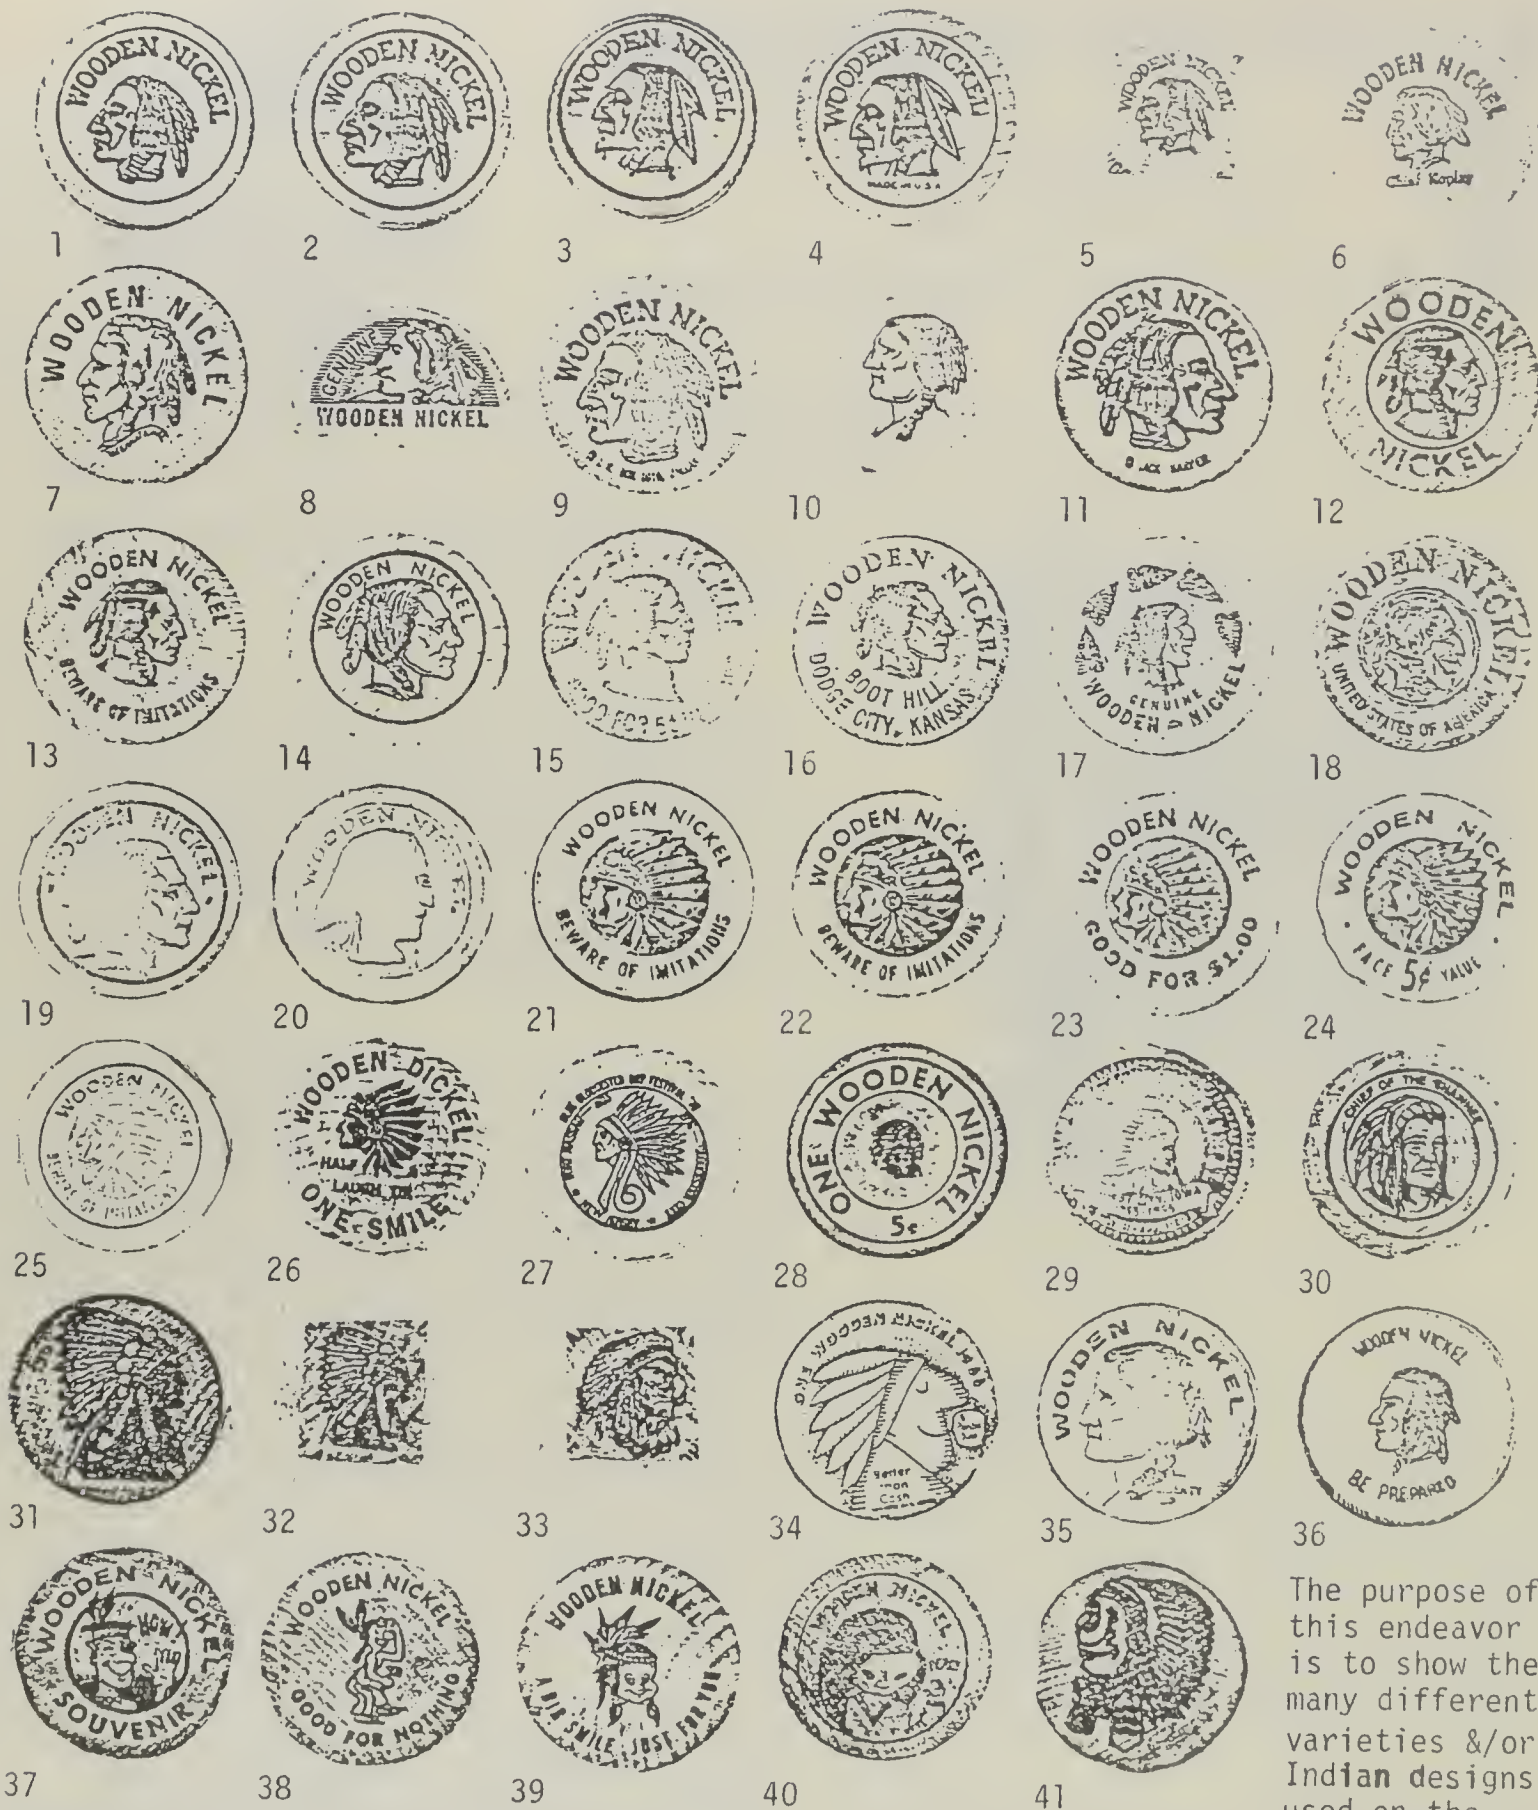

As you all know by now, Sed (or George) is the letter writer of the family. It's a chore for me to even write to our four children. I do read and enjoy all the letters from collector friends. I also try to share in the happy, as well as the sad news, that is mentioned. I feel that I have gotten to know quite a number personally by means of the mail.

To the best of my knowledge, we are the only ones in our area that is at all interested in wooden money. Since we live in a very small town, most of the population know this; and we're constantly asked if we have gotten any wooden nickels lately?

We have had occasion to visit a few that we've corresponded with, and have found them to be gracious and wonderful people. In fact, those associated with the hobby are the greatest people we've ever met. That's my story; and I wonder, how many other "wooden nickel widows" there are.

(Signed) Mary Louise Hill

Submitted by  
Barbara Trace  
Portrait Chairlady

The purpose of this endeavor is to show the many different varieties &/or Indian designs used on the

wooden nickels, and to give the collector a means of identifying them.

I am sure I have only scratched the surface as there are probably many more I haven't seen. If you have a different style, please send it or zerox it so it can be added to the list.

Thanks to all who sent me wood for this endeavor and it has been donated to the Junior Wood Bank. Good Luck and Good Pickings.

E. Ted Wolverton  
P.O. Box 501  
Stroudsburg, PA 18360

## APRIL PRESIDENT'S MESSAGE

It is one of my duties, according to the By-Laws and Constitution under Article VI, "Officers-Election," as President of this organization, I.O.W.M.C., I must call for nominations for officers in the April issue of Bunyan's Chips.

I hope that you will give some thoughts as to who you would like to nominate, and after such, send your nominations to E. Ted Wolverton, Chairman of the Nominating Committee, whose mailing address is P.O. Box 501, Stroudsburg, PA 18360.

Elsewhere in this issue, you will be reading more about our 15 Anniversary Get-To-Gether at the Rodeway Inn, 2600 Market St., St. Louis, Missouri. The BRUNCH affair for our 15th Anniversary will be held at this location. You may like to stay at the Rodeway Inn, and if you do, the IOWMC has made arrangements with this Inn for a special room rate. The rooms are \$27.00 for a single room reservation, and \$36.00 for a double room reservation. Reservations must be made no later than June 28, as management will not hold rooms for us any later than the 28th of June. If you would like a self-addressed, no stamp necessary mailing room reservation card, I suggest you contact one of the officers or governors who have these cards, or you could contact the Rodeway Inn direct by calling area code (314) 534-4700 and tell them you are a member of IOWMC and you will receive this special room rate.

Our 1st Vice-President Stanley Brown, has been in the hospital since my last writing to you; and as I understand, Stanley is back home and is on the road to full recovery. I believe that I speak for all the members of IOWMC, when I say, "Glad to hear that you are feeling better Stanley, and we want to see you at the 15th Anniversary Get-To-Gether."

Rather than going into details of other matters that will be part of our 15th Anniversary, you will be reading in the Bunyan's Chips as to the Donor Programs, space available for paid ad in the Program Booklet, Special Wood, and our program is going to be a collector item, according to the Program Committee--other details as to a special auction on wood = well, I don't want you to miss out on anything, so make

a point to be with us on Thursday, August 2 - Rodeway Inn, 2600 Market Street, St. Louis at 10:00 am for our BRUNCH.

Happy Collecting, and have a good month in April.

Sincerely,

(Signed) Walter H. Riley  
President - IOWMC

#### "MEET ME IN ST. LOUIS"

Hi There:

"ST. LOUIS, HERE WE COME." Lets all plan on a great time at our get-together in a great town. Stan Brown and I are Co-Chairman of the event and we hope to see some "NEW" folks at this meeting, along with old friends.

We are looking forward to our 15th Anniversary meeting in St. Louis, MO at the Rodeway Inn. Why don't you plan your vacation so that you can make our "BRUNCH" get-together at the Rodeway Inn, 2600 Market St., St. Louis, MO. on Thursday, August 2, 1979. The price for "BRUNCH" will be only \$5.00 per person---so start making your plans NOW to attend all the activities, 15th Anniversary business meeting and our great "BRUNCH" get-together.

There will be an Official Souvenir Program, which will have a simulated wooden cover. DO YOU WANT YOUR NAME LISTED AS A "PATRON?" Well, all you need do, is send \$2 to me, Donna Streeter, 900 Stanton, Bay City, MI 48706; and I will see that your name is listed. Wouldn't it be wonderful if each member wished their name listed? It is possible, with only a small donation of just \$2.00.

Advance sales of the Official Program will be possible. Interested persons can write me to insure that a copy or copies are reserved for you, for a very nominal fee of just \$1.00 each.

(Signed) Donna Streeter

#### THANK YOU

I wish to Thank The Members who send me "Get Well Cards" during my recent stay in the hospital. News traveled rapidly and I was indeed very appreciative and deeply touched by all the many, many cards that I received.

Shortly more test will be taken to try and determine exactly what my problem is. Thank You All.

(Signed) Stan Brown

#### AWARD CHAIRMAN

Hi There Again:

As Awards Chairman, I would like you to know that my committee members are Barbara Trace, Dorothy Orlik, Sgt. Omer F. Noel, and Randy Streeter.

We need to know about outstanding service that our members have done so that we may choose one for the "Outstanding Service Award. If you have any names to submit, please send them to me with things they have done from July, 1978 to June, 1979.

Thank You for your cooperation.

(Signed) Donna Streeter  
 Award's Chairman

\*\*\*\*\*

#### WHY SHOULD I BE AN OFFICER IN A CLUB?

EACH year when election time comes around people say, "Why should I run for office?"

First, if you belong to a club you should participate in its activities or why belong at all. So what is the best way to participate? Be an officer then, if the Club isn't what you feel it should be, you can at least try to better it; and if it doesn't, "you can say at least you tried."

Also if members see people don't want to run for office, they figure if they don't care, why should I? When a large group of people run for office, it shows people are interested in their club. In 1978, IOWMC had 17 people running for 6 offices, which proved the members are interested in their club.

The club needs new blood, as well, as seasoned vets, so when you get a letter telling you that you were nominated. Pick up the baton, it doesn't hurt; and all it costs is a stamp to answer; and a little time to write a short summary about yourself.

As the Nominating Chairman reported in the March Chips, it is time to get the slate of officers that will guide and direct the activities of IOWMC next term. LETS HAVE GOOD RESPONSE, and think twice before you decline to run for an office, if nominated.

E. Ted Wolverton, P.O. Box 501, Stroudsburg, PA 18360 is the Nominating Chairman send your nominations to him. Thank You.

(Signed) Tom B. Hudson

## WOODEN MONEY GUIDE BOOKS

### HOW AND WHEN THEY CAME OUT

The first price guide book came out in 1958 by Emil DiBella listing all known types 1931-1957 with a price of woods. Possibly 200 books were printed only. Mr. DiBella is the only one who knows for sure.

In 1962, while I was living in Rochester, N.Y., Mr. DiBella decided to put out another guide book and he sent all the known woods he had records of (a printed list) to that time. Another collector, Tom Domhoff & myself added to this list all the woods he had not listed in his sheets; & Larry Clough, Ballston Spa, N.Y. area listed all the woods he knew about, not on those lists and they were all combined and sent to then Numismatic Scrapbook. They printed a few pages each month in their bulletins until the lists were completed. Then they had completed books printed and were sold. No price guide was on the lists 1931-1962. 1963 was listed as an addition to the book.

1964-1965 wooden money clubs were formed & the demand for another price guide book. A lot people wrote Mr. DiBella to sound him out on the possibility of one in the foreseeable future. Mr. DiBella asked me if I would be interested in buying the rights to the book. I discussed it with the late Paul Weiger (my partner in selling wooden money) and he said he would pay for the rights & the printing of a new book but I would have to do the work in compiling it or 98% of it. So the rights were bought & a deadline of July 15, 1966 was set (so the books could be taken to the ANA Convention in Chicago) and "we were off and running."

This gave us roughly ten months to run ads for information for woods 1963-1964-1965 & others of other years not previously listed. Printing rough drafts, final listing, getting a printer & having them ready for sale. With the help of 50 or so people from around the country & local help from Wayne Dennis, my wife, Phyllis, and Mr. Weiger, we finally got the lists ready for the printer & by the 15th of July, 100 copies were ready & by the 10th of August, 500 were available. The book was first sold at the ANA/IOWMC meeting in Chicago, 1966. (IOWMC meeting #3.) Almost all the club's members brought the book (1931-1965) with price guide at \$2.25 PP, which now sells for \$2.50 PP. 4000 were printed, 2000 or so remaining unsold. Mr. Weiger never did realize his original investment.

Various reactions greeted the book from great to good listing, unrealistic pricing.

We were asked how we came by the prices. We took the 1958 prices, read a lot of information from various collectors & Chamber of Commerces telling about numbers issued, scarcity in obtaining them-figured in what we thought they should have gone up in 8 years and listed them at that level & roughly 85 to 90% were pretty realistic. But a few may have been under or overpriced. Actually it was a guide to their approximate value. As in all things, saleable when your not positive. Its "What the traffic will bear."

In 1972, a Supplement of woods issued 1966 thru 1972 was put out by Wayne Dennis and myself of "Official & Canadian only. By 1974 it was sold out.

By now, over 1000 (in 1974) were collectors in several clubs from coast to coast & we began to get inquiries when and if a new price guide book was ever going to be issued. As time rolled by more and more people wrote us with info as to unlisted woods and the problems they had using the 1966 book as a price guide when selling their duplicates, especially the flat ones 1935-1953. Wayne & I talked it over and after several ideas as to what kind of a book was to be put out--the number to be printed, the costs, etc. In 1975, after a number of problems with the printer, the typist, Virginia Dennis, the book was finally ready for the printer. It was to list only USA Official with a price guide so in the fall of 1977, 450 books were printed at \$5.50 PP. As of October, 1978, a little over one year since it came out, their remains roughly 100 books remaining unsold.

Most purchasers were well satisfied with the book. A few gave constructive criticism, a few didn't like it very much, 85% thought it was a job well-done and were happy with it. WE DEEMED THE BOOK WAS A SUCCESS.

One thing I failed to comprehend is--there are (at the time of the book's appearance) roughly 1200 collectos of wood in one manner or another. With least 100 or so books remain unsold at this writing. My figures could be a little bit off but how do people stay up to date without an up-to-date book. But we thank the Lord for small favors. A new guide book should not be forthcoming out for at least five more

years. Very possibly more.

(Signed) Tom B. Hudson (C-#13)

#### THE END OF THE SAMBO TRAIL - 1978

The Sambo's wooden coffee chips have finally, and totally met their end as far as the Sambo's Restaurants are concerned. The wooden nickels, & regardless of the pros and cons on what the chips really were, Sambo's always referred to them as "Wooden Nickels," have all been destroyed. When their promotional use came to an end Sambo's were left with about seven and a half million wooden nickels worth in the vicinity of \$80,000, and created a space taking project that needed about 80 pallets in a Carpenteria, CA warehouse. Sambo's ended the wooden nickels successful advertising project when coffee became so expensive the restaurant chain simply could not give it away free, and also the restaurant chain has a program underway to conclude the coffee shop image, and focus on the image of a family restaurant, or dinner house, which influenced the end of the wooden nickels at Sambo's.

According to Ron Weinstock, Sambo's Marketing Department, there were several avenues explored on how to dispose of the 7 or 8 million wooden nickels. Among the ideas were trying to find a Las Vegas Casino who would convert them into poker chips, burying them in the ground, chipping them into pulp and burning them. But giving them to the thousands of wooden chip collectors was not one of the avenues they considered, even though Mr. Weinstock is still receiving requests for the chips. What a shame! I wonder if he ever stopped to think that many chip collectors often drove hundreds of miles to a Sambo Restaurant to obtain just one chip for our collections? I know I have, and many of us have planned our vacations to travel the "Sambo Trail" and pass by as many of the Sambo's as we possible could in hopes of increasing our collection of the chips. I wrote, and Cal-Coin, the magazine of the Calif. State Numis. Assoc. published a long article entitled, "Along the Sambo Trail," and I received the State Literary award for the article, so I'm sure the Sambo's directors and officers must have been aware of the importance of the chips to wooden money collectors all over America, especially in the states that have

several dozen of the restaurants.

Also another aspect of this is the current prices of some of the chips. Many of them are so expensive, the younger and newer collectors cannot afford them; however, they could have paid a dime each for them, then the company could have certainly gotten their money back, and made an awful lot of good friends and customers, and helped the interesting hobby of wooden money collecting become even more interesting.

After two years of study concerning their dilemma, they came to the conclusion that maybe the Boys Club could help them, so the members of that club, along with the nurseryman, Tomio Satow of Carpenteria, spent two Sunday afternoons chipping the wooden nickels to use with sawdust as a mulch for Mr. Satow's nursery plants. The Boys Club which is supplying the manpower will get a thousand dollars from Sambo's for disposing of the nickels. The money will be used to offset the cost of buying helmets for the club's tackle football team.

Mr. Weinstock's statement upon the final disposal project was "There is nothing as useless as a wooden nickel," which is certainly one man's opinion, certainly not this dedicated wooden money collector who started collecting Sambo's wooden nickels when Wayne Kees issued the very first one out in Palm Springs, CA when my son was a little cowboy in a Western Days Parade out there on the desert. That one little wooden nickel started what was to end up being the greatest collection of wooden nickels in the world with over 1000 different types, colors, designs, and printings. It has created more interest that even the highly desirable Tenino, Washington pieces, and there were more locations that the chips could be found than any other portion of numismatics in the whole scope of collecting; and when Mr. Kees retired, wooden money collectors lost a valued friend. He didn't collect them himself, but he certainly lent his help to those who did.

So as I enter into 1979, I bid so long to "The End of the Sambo Trail."

(Signed) Joy Parrish (#1320)

#### LIGNADENARIST LINGO

Occasionally we get the urge to turn back the calendar to the days gone bye or maybe even years gone bye. I found myself in one of those moods recently & I started digging into the costs of producing wooden money some ten to twelve years back.

I was somewhat amazed to find out that back in 1966 you could still order a few as 250 pieces in an order. Today that minimum has been raised to 500 on nickels. That is not

the only thing that has raised since then. Cost of producing a manufacturer's stock wooden nickel has gone up just like everything else. Cost of material and no doubt labor costs have played a big part in that increase.

Back in 1966 the average manufacturer's price on 500 of the 1-1/2" round nickels was about \$18. This would be the base price, stock design, one side, and simple type set message on the other and in black print. Today the same number could cost in the vicinity of \$30, plus shipping, from most suppliers. A thousand pieces of the precious little gems, back then, cost in the vicinity of \$25, while at today's prices they could cost around \$40. The figures I'm using are somewhat general; however, you can probably pay more or less depending upon which manufacturer does the job.

Possibly the stock 2" dollar is the best buy, as compared to a price in 1966 of \$25 F.O.B. for the same number. Five hundred have raised from about \$30 plus shipping back then, to around \$55 plus on the 1978 market.

Extra charges such as charges for artwork, setup, and making the necessary cut for a special design have remained for most, at least, comparable the same. Art work being in the vicinity of \$10, setup in the range of \$5 to \$7.50 and for making a cut, from \$6.50 to \$7.50. Shipping charges are something else whether it be parcel post or United Parcel Service. Those costs have risen by leaps and bounds, as we all know.

What I have just said really sounds bad, doesn't it? Maybe it is not as bad as it looks. If we look back even more years, to the days of our youth, living seemed so much less complicated then, and living more rewarding.

I'm not too sure however, that this is really so. We sometimes tend to forget the bad and remember the good times. Especially this is true when we think of consumer goods. We recall the nickel loaf of bread and the dime quart of milk. Do you remember how much time we spent to get the money to buy those commodities, that's the true test.

An American worker, for instance, labored six hours and 44 minutes in 1914 to earn enough to buy a shirt; today it takes him just one hour and 49 minutes to earn enough money to buy an even better shirt. In 1914, he worked an hour and 37 minutes for a lb. of butter; today he works only 19 minutes. In 1914 a person worked one hour and 14 min. to purchase a pound of bacon; today 22 min.

We may still have a bargain in wooden nickels at today's inflated prices, especially in colors other than black. The charge for a color has remained at \$2 for as long as I can remember. (Signed) G. F. Leeper (C-250)

NO. 5

BOB WOLVERTON (#706)

I was born May 8, 1932 at 730 Monroe Street, Stroudsburg, PA. Spent the first eight years of my life in Neola, W. VA. Just before WW-2 my parents moved to R.D. Cooperstown, N.Y., where I graduated from Cooperstown High. In August 1951 I joined the U.S. Air Force.

After four years, three of them near Warrington, England, I was discharged and returned to Cooperstown & worked in the Grand Union for two years. 1957, under the G.I. Bill, Rider College in Trenton, N.J. became my home. Started working for an independent claims company; and worked in E. Orange, N.J. and Syracuse, N.Y.

June 1962, Lorrie and I were married and we lived in Syracuse. She taught grade school in the Liverpool School District. While in Syracuse, our daughter Kathy Ann, now age 15, was born.

Back to New Jersey in the fall of 1964. Lived in South Bound Brook where I covered the central part of the state, handling claims. Our son Peter, now age 13, was born while in N.J. Lorrie did some part time teaching.

Since we like the country air, I answered an ad in the Oneonta paper; in November, 1968 we moved again and I started working for Aetna C&S as their Resident Claim Rep. I cover four counties from Richfield Springs to Wurtsboro, from Hancock to Schoharie. We have lived in W. Oneonta since 1974.

While working in N.J., my brother Ted, who is well known in the wood world, asked me to be on the lookout for wooden nickels. After doing this for him for several years, the wooden nickel fever hit me. Since then instead of asking for one, I ask for at least two.

We all enjoy collecting but have different interests. Peter has quite a collection started in paper weights; Kathy Ann started with stamps and now has doll furniture as a hobby. Lorrie has an eye for Heisey glass.

My collection is mainly N.Y., N.J., and the New England area; but I never turn down the other states. I still have about 70 dupes from Oneonta (1976) and would be glad to swap for other wood. I also have other wooden nickels to swap, just send a note.

Besides belonging to IOWMC, I belong to N.Y.S.W.M.S., P.W.M.S., and Tenino. Best wishes for all in 1979.

(Signed) Bob Wolverton

Educating the public -

Engaging in club activities -

Knowledge and talents shared.

### WHOOPIING CRANES SELECT COIN WEEK TO MIGRATE

All seventy-four (74) of the famous endangered specie met last week in Texas at the Aransas Wildlife Refuge and selected COIN WEEK, April 15-21, to migrate from their winter home just north of Corpus Christi, to their summer habitat at Wood Buffalo National Park, Canada. It is not known whether the April departure of the Worlds largest bird is a show of contempt for the U.S. Susan Anthony dollar to be marketed in July.

The flight north takes the whooper from the Gulf Coast some 2,450 miles across The Great Plains to the Canadian Northwest Territory. Their roots date back to 1939 when only fourteen (14) birds were in existence.

This satiny-white bird, when erect, stands more than five feet tall. In the air it is even more magnificent. The white wings measure six feet between tips of the long black flight feathers that fan out like fingers. The sight of the whooping crane in the air is packed with beauty and drama. As the bird moves silently with dignity there is a sense of unconquered wildness bent on survival. As one watches them glide there is a feeling of admiration and hope. In spite of their glowing reality it is a brief and unexpected look at the history of the world as it was in the beginning.

For Coin Week 1979 there is no more worthy symbol than this famous bird who roots in the United States and nests in Canada. Both countries have established guidelines of cooperation in protecting this magnificent whooping crane. Both countries share numismatically in cooperative activities. This cooperation dates back to J. Douglas Ferguson, the granddaddy of all numismatists. Mr Ferguson is a Canadian who winters in Florida but has served as President of both the ANA and the CNA. The close relationship between Canada's President James Charlton and U.S. President Grover Griswell is likewise one of outstanding professional pride.

So, during Coin Week, April 15-21, if you live in the flight path of the Whooper (Texas through Okla-Kan-Neb-S.Dak- N.Dak-Sask-Alberta to the Y.W. Territory) look to the sky and enjoy A STUDY OF MANS ROOTS as you hold HISTORY IN YOUR HANDS.

## MAY PRESIDENT'S MESSAGE

This month I would like to bring to your attention that dues for 1979 is far overdue. I understand from the Secretary that notices were mailed to all delinquent members. As you check the new membership roster, that will be enclosed with this Chips, and if you recognize the omission of some member names, would you please contact them and ask them to reconsider and send in their dues of \$5.00 to N. R. Mack, P.O. Box 395, Goose Creek, So. Car. 29445 today. It would help your organization and the officers of bringing the books up-to-date.

On another matter that perhaps can be considered equally important as dues; Virginia Dennis has informed me that she does not intend to take the job of EDITOR of Bunyan's Chips next term. That is beginning as of October, 1979. (We have no Chips issued in September.) She has held this job of editor for the last two years; and I am sure that you join me in saying that she has done an excellent job in this position. Now, we are going to NEED AN EDITOR FOR 1979-1980 year of the International Organization of Wooden Money Collectors. DO YOU WISH TO BE CONSIDERED FOR EDITOR? DO YOU KNOW OF SOMEONE THAT WOULD BE INTERESTED IN DOING THE JOB OF EDITOR FOR OUR ORGANIZATION? If so, I would be pleased to hear from you. We want to keep our organization on a sound basis as we have functioned in the last 15 years. Please write to me if you are interested in being EDITOR or if you would name someone who you know that may be interested in being EDITOR.

The committee for the 15th Anniversary of IOWMC is going to have a printed program, which I understand is going to be outstanding. They tell me that they will have a few pages available for members who would like to assist financially, and become PATRONS. You will have your name in this Program by sending \$2.00 to Mrs. Donna Streeter, 900 Stanton, Bay City, MI 48706; and in this way become a PATRON and assist in making this book a financial success. IT SURE WILL BE A COLLECTORS ITEM. Do this today, make a check out to IOWMC for \$2.00, with your name and mail to Donna today.

I would like to relate to you about a member that had just joined our organization this past year. I believe it is worthy of the President's Message to the membership to inform you that our member, Rita Croteau

of Worcester, Mass., has been name Massachusetts Teacher of the Year. Mrs. Croteau has taught for 21 years in the Worcester, Mass. School system. Now she is being considered for the Teacher of our Nation. Isn't that great? I am sure that we can be proud of having such an outstanding member. I know that you join me in congratulations to Mrs. Croteau on such an achievement.

In closing, have a good month in May; and happy collecting. Sincerely,

(Signed) Walter H. Riley  
President - IOWMC

\*\*\*\*\*

15TH ANNIVERSARY CHAIRMAN'S COMMENTARY

Just a few rambling lines on the 15th Anniversary. Seems that I did not mention the cost per ticket. This will be \$5.00 a person, which also will include the state sales tax and gratuity (a must they say). Rodeway Inn will not confirm the cost till 30 days prior (guess due to inflation). So the Program, (if any profits) Auction will have to help us cover any loss. We certainly don't want to hit the Treasury (Carter might not approve it).

Walter Scott says advertising is coming in but slow (he is always in a hurry). Response from Charter Members, to me, is also slow. Tho I am hoping for a good response- IF they are slightly late, guess I can convince Scott to squeeze them in somehow.

Mack should have word on the tickets being available soon. Please remember that in ordering TICKETS and WOOD COVER PROGRAMS—that a check must accompany same.

No Programs will be available till August 2nd at the Brunch, Wood Cover, or otherwise. Looking forward to seeing you at the Brunch in St. Louis, MO.

(Signed) Stan Brown

## ITEM OF INTEREST

Gary Littrell sent us a note telling us about the April cover of the Numismatist. (Our issue hadn't arrived yet.) We agree, the members should be informed of this, especially those who do not belong to A.N.A.

"On the April front cover are six different pieces of wooden money-1948, Albany, Oreg., 1936, Columbia, So. Car., 1954-Atlanta, GA, a 1978 Canadian piece, and 1977-IOWMC Pres. wood; and a upside down piece showing the Buffalo side. In addition, the inside cover also mentioned various woods."

Low and behold, wooden money made the front cover of the oldest and largest numismatic organization's publication in the world.

\*\*\*\*\*

### THANKS TO TED WOLVERTON

The efforts of E. Ted Wolverton, in providing a picture listing of the various Indian designs on wooden nickels, is JUST GREAT. I plan on using the listing as a reference & will use the numbers as they appear when I want to refer to that specific Indian. THANKS, TED!

Regarding the "Lighthouse" Falmouth on Cape Cod wooden nickel (I found 3 of them back in 1970), I have never given up trying to find out where they came from. A couple of weeks ago I thought I might have finally traced them when I heard of "The Lighthouse Insurance Agency." Unfortunately, it was just another false alarm.

I still need the following Mass. woods for my collection: 1950, Framingham-5¢ Grn.; 1951, Falmouth-Red "D", Grn. "D" & Blk. "D"; 1962, Athol-5¢ Lilac; 1962, Waverly-set of 5; 1964, Fitchburg-5¢ Blk.; 1971, Ayer-w/o #; 1974, Stockbridge-5¢ Blk; 1974, Walpole-5¢ Red; 1975, Boston-30th Anniv. Collectors Club; Also need other Mass. so if you have a sell or trade list, please write. Thanks,

(Signed) G. Braithwaite (C-#85)

### A MYSTERY HAS BEEN SOLVED

Since 1964 when I first came into possession of two Mormantown Centennial woods, I have been trying to find out where they came from. Some 20 letters, and almost as many negative answers, the pieces were still a mystery. Recently, I found one with Iowa on it. I wrote several letters to State Chamber of Commerces, various people- still

nobody heard of the town; until a few weeks ago when I started to correspond with one of our new members, Ronald A. Witt (#1323) Carroll, Iowa. He came up with the solution to the mystery.

Mormantown, IA., Taylor County, now known as Blockton, Iowa. Mr. Witt received this information from records of abandoned towns of Iowa by D. C. Mott. The name was Mormantown (1872-1887) then changed to Blockton. Apparently the people in charge of the celebration in 1961 used the old name on the wood. PERSEVERANCE WON OUT.

(Signed) Tom Hudson (C-#13)

\*\*\*\*\*

### ELKTON, MARYLAND

Elkton, the county seat of Cecil County, Maryland, lays in the N.E. sector of the state. In the perimeter of the town is a little island area not incorporated in the town limits, where sets my home; thus making it possible to do civic work for any area of the county. In doing so, Cecil Co. is known throughout the United States and other countries through its issues of wooden money and medals, made possible thru club bulletins and numismatic publications.

Cecil County is bordered on the north by Pennsylvania & the east by Delaware. Laying at the head of the Chesapeake Bay made it a main shipping port from Penna. - a land locked state. When the railroad and improved roads, such as U.S. 40 & Interstate 95, crossing the county made possible items getting to larger ports-left a cross road of history for them.

To commemorate the American Bicentennial, it was decided to issue a set of Bicent'l. wooden pieces, one from each of the incorporated towns, Cecil County Historical Society, & a group of dedicated volunteers in nearly every part of our county.

Permission was obtained from the Bicent'l. Groups. Letters were sent to each of the towns & the Historical Society offering the opportunity to be a part of the project at no expense to them or the taxpayer; and a chance to profit in publicity and also financially.

The Historical Society sent a Civil War Document with the old county seal imprint & requested a two side issue for distribution to their members. Elkton & Port Deposit sent imprints of their town seals. Perryville sent a letterhead containing their design. Rising Sun sent an art work

sketch done by one of their residents. Chesapeake City, a sketch that would have made a nice flat wood of a historical church, the canal with its water wheel to move water into the locks, & the historic Franklin House. Only the water wheel could be used on the round. North East sent a poliorid picture of an old jail used as their town hall. The oldest settlement Charlestown, which was the original county seat, denied the use of their seal. Cecilton said they favored it but had no seal.

The denial of one town was very disheartening & the sheriff was ask to double check with them; only to receive the same answer and that it would hurt the image of their seal to put it on a wood. It was through the urging of collector Stan Brown and my wife, realizing it was not being fair to the others, entered an outline sketch of the county showing its geographical layout -- marking only the seven other towns.

All the designs were sketched out & printing added, using rub on lettering. The poliorid picture came up & after several attempts to sketch it, & even going there & trying different shots, proved fruitless, so it was then decided to just send it to the printer. Being notified, a cost of \$15 for art work, caused the Scotch in me to show up. After many attempts working till 2 am, & being tired, it looked like I had finally succeeded. The self satisfaction was great when it turned out to be one of the nicest of the set.

The amount of 1000 pieces were printed of the Historical Society & Elkton; 500 of Rising Sun, Port Deposit, Perryville, North East, Cecilton, Chesapeake City, & the Cecil County Map. Two hundred sets were sold to cover the cost \$300. Historical Society & Elkton each received 500 pieces; & each other town were given sets to raise \$60 for their own use. A check has not been made to see if all were distributed as one order still needs filled & another personal set is needed.

A letter to the editor of a local paper stated the historical seal was not correct - that the ears of corn looked like gooper peas. This caused an irritation to the Historical Society & a counter letter entered confirming the facts & in early history, corn wasn't hybrid.

On one very rainy night, a trip was made to Cecilton & permission to have their design made up on an official seal was received at their cost.

One active in hobbies & civic projects find they always have something left to be done tomorrow or should I say sometime. Also realize, funding of projects is another job, but to organize the issue of a wood, turns out to be a great experience and smiled on when accomplished, "TRY IT."

Respectfully submitted,  
(Signed) Walter A. Scott (#1086)

OSWEGO CO. NUMISMATIC ASSOCIATION'S  
15th ANNUAL COIN SHOW

April 29, 1979

MASONIC TEMPLE

FULTON, N.Y.

Special 2" round wooden dollars with the Miller Brewing Co. on obverse; club information on reverse. Price: 25¢ each plus SASE. WRITE: Mrs. Harold J. Beardsley, 255 West 2nd Street, Fulton, N.Y. 13069.

PAID AD

\*\*\*\*\*

THE OSWEGO CO. NUMISMATIC ASSOCIATION,  
FULTON, NEW YORK

The 15th Annual Coin Show of the Oswego Co. Numis. Assoc. was scheduled for April 29th. Club Pres. E. J. Wlodarski was Gen. Chrm., Dan Case, Bourse, Joe Buchovecky, Exhibits, and Marion Beardsley, Publicity. Dealers were available to appraise & answer questions on any numismatic item & there were numerous educational exhibits for viewing.

Participation awards were given to all exhibitors. Admission was free. Door prizes were awarded hourly and a special 1979 wooden dollar was given to each visitor.

The Miller Brewing Co. of Fulton, N.Y. was selected as the local club's subject for their wooden issue this year & the new industry is co-sponsor of a dollar size wood. It is printed in red with Miller Logo on obverse & information of club show on the reverse.

Nearly 125 years ago, the Miller story began on a solid & enduring foundation with the craftsmanship & uncompromising standard of a single man, when Frederic Miller, in 1855, a 28 year old farm brewmaster at Hohenzollern Castle, Sigmaringen, Germany came to the U.S. & purchased a small brewery on the Plank Road just west of Milwaukee, Wisc. The company grew with increased annual output of 80,000 barrels by the time of his death in 1888. The company was headed by successive generations of the founder family through two world wars & the prohibition era. When the last Miller to serve as president died in 1954, Miller Brewing Co. was the 9th largest brewery in the industry with an annual production of slightly more than 2 million barrels.

The industry has come a long way since that time & with its numerous plants & multi-brands has prospered under one of the proudest trade names among the nation's brewers.

Miller began its search for a northeastern site in early 1974 & had considered more than 350 sites which were within a 200 mile radius of New York, N.Y. before they purchased 415 acres of land on the outskirts of Fulton, N.Y., 25 miles N.W. of Syracuse. May 6, 1974, Miller broke ground on the site for its \$70 million brewery with an initial capacity of 2 million barrels annually. The facility was scheduled to come on stream in 1976 & would have the capability of being expanded to 6 million barrels annually. Five months after ground-breaking, 10-11-74, the Fulton Brewery was topped out. In August, 1975, the company announced the initial capacity of the Fulton Plant would be increased to 4 million barrels & announced a can plant would be constructed adjacent to the brewery. On 4-05-76, the company stated an additional \$81 million would be invested to bring its capacity to 8.8 million barrels annually making it the largest brewery in the State of N.Y. This expansion, included five new packaging lines, a new brewhouse including two new brew kettles with 1,000

barrel capacities each, 20 fermenters, 24 aging tanks & increases in office & warehouse space. The Fulton Plant contains 1.1 million square feet & covers about 25 acres under roof bringing the company's investment in the Fulton area to \$212 million with a total employment of more than 1800. The 150,000 square foot facility for its Can Mfg. Plant employs approximately 170 hourly & salaried personnel. By 1980 Miller expects to have some 10,000 employees at locations throughout the nation. In addition to the brewery & can plant facilities, there is also a \$14 million waste water treatment plant on the Fulton site which has the capability of treating 5.2 million gallons of water per day. Wholly owned by Philip Morris since July, 1970, the Miller executive organization was tuned up with experienced professionals, from Philip Morris, new hires & veteran Miller employees, & a massive sales turn-around got underway. Their early efforts began to show & their first major step was the development of new products to establish Miller as a national multi-brand brewer. Their principal beer brands include Miller High Life, Lite, and Lowenbrau. Since 1973, over \$600 million has been spent for projects to date. Plans call for additional expenditures of \$1 billion which may be invested in future expansion. The largest & oldest Miller Plant at Milwaukee, Wisc. covers 73 acres & employs 2,370 persons.

Over 176,000 tourists visited Milwaukee in 1977 and the plant opened a new 6,873 sq. foot Tour Reception Center in May, 1977, which houses a 90-seat auditorium where tourists enjoy an exciting multi-image presentation called "Old World, New World," using 15 automated slide projectors which display images on a 40 Ft. wide screen. The Center also features a Gift Shop and display area and has a tourist parking lot for 134 cars. The company's best protection remains in continuing to follow the principal rule that Frederic Miller laid down when he opened his doors for business, "Quality-uncompromising-and unchanging."

(Signed) Mrs. Marion Beardsley (#682)

INTERNATIONAL ORGANIZATION OF WOODEN MONEY COLLECTORS

VOL. XVI

JUNE, 1979

NO. 6

GEORGE D. HATIE (#260)

On March 11, 1910 I was born in Detroit, Michigan. In 1933, I graduated from the University of Detroit Law School with a Doctor of Jurisprudence degree. I ranked first in my class, was President of the Senior Law Class, and Editor-in-Chief of the University of Detroit Law Journal. For the past forty-two years, I have been a member of the same law firm, with a diversified law practice and specialization in the field of real estate law.

My numismatic collecting interests include ancient coins, papal coins & medals, United States, English, Canadian & Newfoundland coins & tokens, American Colonial coins & tokens, Colonial & Continental currency, obsolete notes with coin vignettes, Civil War and Hard Times tokens, Presidential campaign buttons, & various other items. I also collect postcards &

cigarette cards portraying coins, letters & documents signed by all of the Presidents of the United States & other world historical figures, ancient lamps from as early as 300 B.C., postage stamps & Civil War envelopes. My library includes books on numismatics, dating back to the year 1525. Unfortunately, my collection must be housed in a safe deposit box.

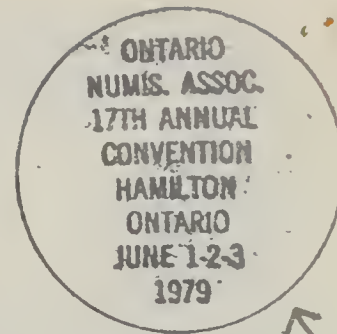

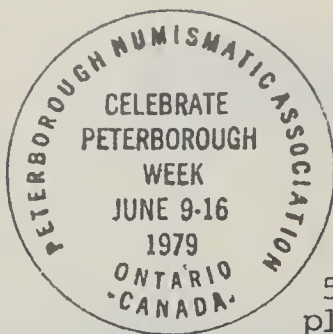

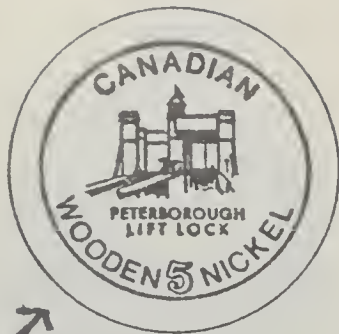

As to wooden money, I collect Michigan anniversary issues, items relating to ANA and other organizations of which I have been an officer, & wooden money bearing coin illustrations. In the case of latter, I limit my collecting to wooden money showing substantially exact illustrations of the coins depicted. This would exclude the average wooden nickel with an Indian Head, Buffalo, or an undated silver dollar.

At the present time, I am Vice-President of the American Numismatic Association and have served as President of Token & Medal Society, Central States Numismatic Society, Michigan State Numismatic Society, Detroit Coin Club, & Grosse Pointe Numismatic Society. I have been President of Michigan Humane Society (I am presently a Board Member of that organization), National Kidney Foundation, & Kidney Foundation of Michigan.

My catalog of obsolete paper money bearing coin illustrations appeared in the Numismatist in 1975. I am presently completing a supplement to that catalog. I am also in the course of preparing a catalog of Canadian paper money, World paper money, and wooden money. --- All bearing coin illustrations.

## JUNE PRESIDENT'S MESSAGE

Congratulations are in order to M. Wayne Dennis, our immediate Past President of I.O.W.M.C. on his 14th Anniversary "One Wooden Nickel" appearing on the cover of the April 1979, "The Numismatist." "The Numismatist" is the official publication of the ANA, one of the most outstanding organizations of the numismatic field. Also I believe, it reflects the part that I.O.W.M.C. plays in the hobby of collecting. If you hadn't seen the April issue of "The Numismatist," you should. Its just great.

Writing of Wayne Dennis brings to mind that our Editor (Virginia Dennis) of Bunyan's Chips is leaving this position at the end of her term in August, 1979. For those of you who may not had read the May issue of Bunyan's Chips on this important information -- I repeat, anyone of you out there wish to be considered for Editor of Bunyan's Chips, or know of someone who would be a good candidate for the Editor's post, please write to me- P.O. Box 39, Webster, Mass. 01570. Thanks in advance for any cooperation you can give on this most important detail of running IOWMC.

In this June issue, you will find a listing of those members running for office of our IOWMC, along with their names will be background information on each candidate. I hope you will take the time to read about the prospective candidates, and then take that most important part of it all, and DO VOTE, so that our organization will always have officers selected by a democratic procedure, by casting a secret ballot. VOTE NOW -- Please read the qualifications of each candidate, and the office they aspire to.

Yesterday, I was reading the Worcester Sunday Telegram-in it, it had an article on St. Louis and its World Fair of 1904. As you know, we will be in St. Louis during the observance of the 75th Anniversary of this Fair. The ice cream cone and ice tea are said to have been invented at the Fair. It had a twenty-five story ferris wheel and over twenty million visitors from around the world poured through the gates of this Fair. Lets not only plan to be at our 15th Anniversary of IOWMC, but lets all of us take part in this 75th Anniversary of the greatest World Fair.

And in closing, isn't it most appropriate

for me to say to each of you, "MEET ME IN ST. LOUIS." O.K.? See you there.....

Sincerely,

(Signed) Walter H. Riley  
President - IOWMC

EDITOR'S ERROR

The Editor sends her apology to Donna Streeter for not listing her name as Co-Chairman on the 15th Anniversary Committee in the May issue of Bunyan's Chips. Thank you Donna, for reminding me of this.

## NOMINATING CHAIRMAN'S REPORT

As Chairman Nominating Committee, I wish to express my appreciation and thanks to each of you for cooperating and participating in the upcoming election.

Listed below are the member's name and qualifications that have accepted to run for an office of their choice. Please read each qualification and DO exercise your American right and privilege in casting your vote for the candidate you feel will serve IOWMC best.

A reminder...ALL BALLOTS MUST BE IN MY HANDS NO LATER THAN JULY 15. Please use the enclosed envelope to mail your ballot. PLEASE, please, do not enclose anything but the ballot in the enclosed envelope. Thank You, Good Luck, and Good Picking. (Signed) Ted Wolverson

\*\*\*\*\*

### CANDIDATE'S QUALIFICATIONS

#### PRESIDENT: STANLEY A. BROWN (#392)

Having been nominated for the Presidency of IOWMC - would deem it an honor and will strive to do my best in this high office.

See no reason to repeat all that has been said in the past when I ran for the office of 1st Vice-President, an office that has been enjoyed & hope was some assistance to the President and the organization during my term. Hope to be of help in anyway to same and all its members. Hope to see you all in St. Louis for the 15th Anniversary. Thanks. (Signed) Stan Brown

#### PRESIDENT: SAMUEL F. SEIBERT (#510)

I refer you to January "Chips" portrait for a brief run down of past activities. It would take a book to cover in detail, but doubt if you would be interested. Been active in numismatics for 36 years. Licensed auctioneer for 33 years. Sometime or other was a member of all coin & wooden money clubs in Central PA. Fourth member and first President of PWMS.

District Rep. for ANA. Been to 3 of the last 3 conventions, also IOWMC conventions. Generally conduct the auctions for IOWMC; was a close runner up for President in 1978 - so I am no stranger to many of you.

Past experience as President of various organization, feel capable of handling the business of the association. If you feel the same way, I solicit your vote for the President of IOWMC for the ensuing year. Thank You. (Signed) Sam Seibert

#### 1ST VICE-PRESIDENT: THOMAS M. ARMSTRONG (#1053)

Was born in Winchester, Ind., moved to Chattanooga in early childhood, educated and lived here ever since with the exception of a sojourn during WW-II as a Bomber Pilot serving in Africa, Sicily, England, France, and Holland. My wife, Ruth and I were married in 1945. We have a son and daughter and four grandchildren - 5 boys and a girl.

We share our interest in numismatics and enjoy attending area coin shows and ANA. Presently am Treasurer of Chattanooga Coin Club, serve on the Board of Directors of Chief John Ross Coin Club & am Editor of Tenn. Coin News, a quarterly publication of the Tennessee State Numis. Society, having just finished a two year term as President of this Society. I enjoy membership in ANA, BRNA, TSNS, NYSWMS, PWMS, DWMC, AWAC, CLCC & numerous fraternal organizations. I am now retired from Chattanooga Glass Co., after 29 years & really enjoy having time to attend the area shows, as well as ANA. I have won numerous first place awards and Best-of-Show in 1977 at the Tennessee State Show.

If I'm elected to the office of 1st Vice-President, I will support our organization to the best of my ability and endeavor to fulfill the duties of this office.

(Signed) Thomas M. Armstrong

#### 1ST VICE-PRESIDENT: DONNA STREETER (C-461)

Hi There. Once again I have been nominated to run for office for IOWMC, this time for 1st Vice-President and I am honored to accept the nomination.

As you "older members" know, I have served our club for a number of years. For the new members who may not know, I was Secretary-Treasurer for several years, then Secretary for several years, also 2nd Vice-President. If my memory is correct, I believe I have held office 12 years out of the 15 years the club has been in existence.

If I am elected, I promise to help our President in anyway that I can and will do all I can to promote our hobby of collecting wooden money.

I would like to thank you for your support in the past years and am looking forward to your future support. I firmly believe that it is only thru good leadership that we can maintain IOWMC's reputation as the "best" of all wooden money clubs. See you at the convention. As Ever, (Signed) Donna Streeter

#### 2ND VICE-PRESIDENT: NORMAN FLETCHER (#630)

I was born August 10, 1927, Elco Ill. I served with the U.S. Navy in WW-II in the South Pacific. Have belonged to several wooden money clubs; and enjoy the hobby very much. I started collecting wooden money in 1971 and have in the neighborhood of 6000, one of a kind, in my collection.

I sincerely thank whoever placed my name in nomination. Should I be elected as 2nd Vice-President, I will do my best for the betterment of this great club.

(Signed) Norm Fletcher

#### 2ND VICE-PRESIDENT: CLARENCE KRAMER (C-115)

It is an honor to be nominated for the position of 2nd Vice-President. I have been collecting wooden money since 1945. I was 6th President of IOWMC and helped form PWMS in 1968. I hold a charter membership in many wooden money clubs, holding various officers in these organizations, ie, coin clubs, fire companies, legions, fraternal lodges, etc.

If elected, I will serve IOWMC faithfully and continue promoting our hobby of wooden money.

(Signed) Clarence Kramer

#### 2ND VICE-PRESIDENT: MARK MCDANIEL (#1185)

My name is Mark McDaniel, age 27, - born in Detroit, Michigan (10-13-51). I am a college graduate. I grew up in the Detroit area and enjoy the wood hobby very much in an area where wood isn't too popular. Because of this, I want to promote wood collecting as much as possible, and as 2nd Vice-President, I feel I would be in a better position to do so.

Presently, I am an electrician. I have collected since a small boy and somehow stumbled into collecting wood, which I enjoy very much. (Signed) Mark McDaniel

#### 2ND VICE-PRESIDENT: WALTER A. SCOTT (#1080)

It give me great pleasure to accept the nomination for 2nd Vice-President of the International Organization of Wooden Money Collectors.

Members I correspond with surely must agree my heart is in the hobby of wood collecting, and all effort will be made to make the hobby more recognized in the numismatic field. At present I am a member of IOWMC, DWMC, PWMS, CWMA, NCWMC, and NYSWMS.

The meetings of IOWMC at ANA are top priority on my vacation list; and have been in attendance at New York City, Atlanta, and Houston. See you all in St. Louis. (Signed) Walter A. Scott

BOARD OF GOVERNOR: M. WAYNE DENNIS (C-#171)

My interest in wooden money dates back to 1962; and two years later I joined IOWMC. Have been active and held various positions in both State and local organizations from President to Board of Governor.

1968 I filled the unexpired term of 2nd Vice-President. I served as IOWMC Award Chairman in 1976, also was a member on the Committee who revised the Constitution & By-Laws. Served as your President in 1977-78; and this year I am serving as a Board Member.

If elected, I will continue to support our organization and help guide it according to the Constitution & By-Laws. Win or lose, I will still promote wood and do all I can for our great organization.

(Signed) M. Wayne Dennis

BOARD OF GOVERNOR: PAUL GREENBERG (#473)

I have been a member of IOWMC for over ten years. Have served as past President of NYSWS and am presently on their Board of Directors. In addition, I hold membership in FWS, CWA, NCWC, and CLCC.

For the past two and half years, I have been editing the Maverick Column in Bunyan's Chips, as well as developing a Maverick Reference File, both of these projects I originated and are being developed for the use and benefit of all our members.

I recognize IOWMC as the national leader in our hobby. If elected to the Board, I will work towards the strengthening of that position, an increase in its membership, and the development of research and the Reference Programs. (Signed) Paul Greenberg

BOARD OF GOVERNOR: GEORGE S. HILL (#637)

I have been nominated for this office; and I accept with humility. Though I have never considered myself as officer material, if elected, I promise to all that is in my power, to promote interest in our hobby; and to be of what help and service I can to the old and new members of our club. (Signed) George S. Hill

BOARD OF GOVERNOR: DOROTHY ORLIK (#408)

Well, what can I say. Most all of you know me as Aunt Dot, and that I served on the Board of Governor for quite awhile and then retired to let someone else take over for awhile. Now I have been asked to serve again. I am pleased and honored to be thought of to serve. I will do my best for IOWMC and serve to the best of my ability and ask for your vote.

Thank you all very much. (Signed) Dorothy Orlik

BOARD OF GOVERNOR: RANDY STRIETER (#406)

Randy is presently serving on the Board of Governors. He was elected to this position in 1976 for a three year term, which will expire in August, 1979.

He has been a member of IOWMC since age 13.

NOTE: No resume was in the package received from Ted Wolverton; but it was so noted that he had accepted this nomination. (Editor)

\*\*\*\*\*

IN MEMORIAM

WE WISH TO CONVEY OUR SINCERE SYMPATHY TO EARL O'CATHEY FOR THE LOSS OF HIS BELOVED WIFE, OPAL, WHO SUCCUMBED SUNDAY, MAY 20, 1979 AT 10:00 PM. IN ADDITION TO EARL, SHE LEAVES A SON, JERRY AND GRANDSON, RICKY, AND SOME SISTER AND BROTHERS. OUR DEEPEST SYMPATHY TO THEM ALL.

WELCOME TO SNOWFLAKE AND TAYLOR, ARIZONA

The towns of Snowflake & Taylor are located adjacent to one another at an elevation of 5644 ft. in a broad flat valley drained by Cottonwood & Silver Creeks into the Little Colorado River. The communities are located on Arizona Hwy. 77 on the picturesque Northeastern Plateau area. The White Mountains & the Mogollon Rim, about 20 miles south and west of Snowflake & Taylor, slope up to the 7000 ft. level with its lakes, ponderosa pine forest & high mountain peaks in excess of 10,000 feet.

Snowflake & Taylor have a semi-arid climate with half of the area's annual precipitation during July, August, & early September. It is sometimes pretty hard to get the 2nd, 3rd, & 4th cutting of hay up dry. Temperatures in the area are pleasant with an average of 50° to 95° in summer. Winter snows rarely accumulate more than a few inches.

The history of Snowflake & Taylor dates back to the summer of 1878 when a group of Mormon pioneers settled on the Stinson Ranch. Among these early settlers were William J. Flake and Erastus Snow. The townsite was named Snowflake.

Taylor was founded by a group of Mormon settlers in 1878. The name Taylor was chosen to honor John Taylor, a President of the Church of Jesus Christ of Latter Day Saints. Many of the descendants of these pioneers are still in the area.

The Smith Memorial Home & Museum and the Flake Memorial Home, among other pioneer homes, have tours during the 24th of July Pioneer Day Celebration.

Early economic activities included farming, ranching, lumber, and freighting supplies from the railroad in Holbrook.

Snowflake was reincorporated in 1948; Taylor was incorporated in 1966. Now the major portion of employment in the Snowflake/Taylor area is accounted for by forest product firms. In fact, about 80% of Navajo County's manufacturing employment is related to forest products.

Arizona's only pulp & paper mill is Snowflake's largest industry. Southwest Forest Industries' Paper Mill, located on a 640 acre site 15 miles west of Snowflake, is one of the most modern & efficient facilities of its type in America.

Western Pine Industries, with its home office in Snowflake, has saw mills located in Snowflake, Heber, Globe and Williams, Arizona. Western Pine Industries employs 350 people & markets its products throughout the southwest. The firm also sells bark & soil amendments for landscaping & gardening and operates trucks in the area.

Western Moulding Company, Inc. employs some 50 individuals in the Snowflake/Taylor vicinity, manufacturing interior & exterior pine mouldings. Ponderosa Pine Cut Stock is another manufacturer of wood products with several employees.

Livestock production in Snowflake/Taylor area is significant; and hog production has also greatly increased in importance. Recently 32,000 head of cattle have grazed annually in the county; a lot of them in the Snowflake/Taylor area. Just north of Snowflake, about 30,000 pigs are raised in pens and big houses.

Snowflake & Taylor are well served by community facilities and the area has ample recreational facilities.

Snowflake had two sets of wooden nickels for its Centennial; and Taylor had one set.

(Signed) Mark R. Wildasin(C-#6)

NOTE: The above words mentioned were featured in the August & October, 1978 issue of Bunyan's Chips. Price was 50c per set plus SASE. Write: Mark Wildasin, General Delivery, Hanover, PA 17331

There will be many more lots for sale at our meeting in St. Louis. If you have any wood you wish to donate or have wood you wish the club to sell at a charge of 10%, please send them as soon as possible.

If you wish, you can give them to me in St. Louis before our meeting.

\*\*\*\*\*

ADVANCE TICKETS TO OUR 15th ANNIVERSARY BRUNCH ON AUGUST 2, 1979 CAN NOW BE ORDERED. THE PRICE IS \$5 EACH. SEND ORDERS TO ME AT THE ABOVE ADDRESS.

\*\*\*\*\*

WORD RECEIVED FROM TED WOLVERSTON

Ted wanted me to pass on the word that he is only interested in INDIAN/BUFFALO variety "STYLES." Response has been great since all known "Styles" of the American Indian were featured in the April Chips.

If you happen to come across any that is not listed, please write to Ted and let him know--if no duplicate wood available, xerox it, and send it to Ted at P.O. Box 501, Stroudsburg, PA 18360.. THANK YOU.

PREVIOUS MAVERICKS IDENTIFIED

- MAV - 205 - Greenville, South Carolina - issued 1972-Att. thru Ref. File.  
MAV - 729 - Sauk Rapids-Minnesota. Att. by Al Zaika (C-24).

## BALLSTON SPA, NEW YORK

Twenty-six miles north of Albany, the capitol of New York State. Seven miles south of the famous race track at Saratoga Springs. About 35 miles south of the beautiful Adirondack Mountain Park, which is famous for hunting and fishing—The village of Ballston Spa is the County Seat of Saratoga County, with a population of approximately 5000.

Before the white men came to this area, the Indians roamed here, hunted, & fished this area because of the abundance of deer, bear, wild fowl, & great fishing. There are a number of good streams all through this part of the country. This area was also one of the main trails of the Indians from Canada to the Catskill Mountains to the south. The Indians of many tribes visited this area because of the famous mineral springs located here, in & around where Ballston Spa now stands. The springs were used for bathing and medical purposes.

Sir William Johnson, friend of the Indians was brought here to bathe and drink of the famous springs. It is said that he benefited greatly from the waters. The Indians used to burn the fields in the Spring to make sure that the deer & other game had a good feeding place. This area where the burning of the fields took place, is now called Burnt Hills, N.Y., which is located six miles south of the Village of Ballston Spa. Near here runs a creek around which the Indians used to hold meetings. They named the creek in memory of the Indians who had been killed here during a battle. They called it Mourningkill Creek.

White men headed for this area because of the value of the springs. Hotels were built to accommodate these visitors. Some of them stayed & built homes, & also built factories on some of the streams. Some of the streams were fast & afforded water power. The Sans Souci Hotel was built on what is now Front Street. At that time, it was said to be the largest hotel in the world. This hotel does not exist now.

The first white man to come to this area were two brothers by the name of McDonald. They liked this area so much that they built the first cabin on Ballston Lake, & traded furs with the Indians. A picture of this cabin is on the "Town of Ballston, Blue, Wooden Nickel-Saratoga Co., 1976, Bicentennial piece." Only one type was issued.

The next white man to settle here were the Rev. Eliphalet Ball & some friends from Connecticut. The village was named for Rev. Ball. It was first called Balls Town, but later changed to Ballston Spa because of the springs. Spa means springs. Rev. Ball was kin to General George Washington. It has been said that Washington visited the springs here also.

A famous Inn was built by Benjamin Douglas on Gordon Creek, near the Old Iron Springs, which is located on Front Street. This building is still there and is now this area's Historical Museum. It was originally called Brookside.

Grist mills, saw mills, & a famous chocolate factory was built on the streams here. An axe factory was built nearby, erected by a Mr. Blood. The axes made here are now great collectors' items. I had one, but gave it to a man that has some of the famous makes of axes in his great collection.

A lot of the old mills & factories that existed here are gone. Some new ones have arrived. In my collection, I have a chair made of cow horns, which was made in the first harness shop in Ballston Spa by a man named Gardner. According to one of his Great Grandsons, whom I bought it from, Mr. Gardner made the chair in the year in which he was married—1852. I had the chair reupholstered & they did a marvelous job of restoring it. It is an overstuffed chair with plenty of cow horns all over it. It has a foot stool with it, also with horns on it.

The first train to come to Ballston Spa was in 1832, July 2, from Schenectady, N.Y. fourteen miles south of Ballston Spa.

A new factory has located here recently called Tufflite. Plastics is their line of work. A famous Hide & Leather Company was located on Bath Street. It was known as the American Hide & Leather Company, also known as the Tannery.

A dam was erected on the Kayaderosseras Creek by the Bischoff Chocolate Factory. The pool of water was used by many villagers for swimming. The swimming hole is gone now, as a result of the Dam breaking up, & disappearing down stream. The Dam was a very nice sight as seen from Milton Avenue, the main drag through the town.

Many of the people in Ballston Spa work

at the General Electric Co. in Schenectady, N.Y., the State Offices in Albany, N.Y., The County Seat Offices in Ballston Spa, and in various stores, offices, and in factories located in the nearby cities and villages.

Respectfully submitted

(Signed) Tex Ryder (C-#59)

#### DOOR PRIZE DRAWING

Pres. Walter Riley asked me to get the door prizes for the meeting in St. Louis. To participate you do not need to be present.

I have received pledges from Dot Mack (a quilt), Earl O'Cathey (wooden money book and wood), Wayne Dennis (wood), and Corky Ayers (wood & cash). Any other contributions will be appreciated.

The two tickets enclosed will cost only a \$1.00 donation. Just fill out the back of the tickets with your name & address, and send ticket and money to Virginia Dennis, 18814 Florwood Avenue., Torrance, CA 90504. If you wish additional tickets just write for them.

Winner do not have to be present to win. Prizes will be mailed to the winners not able to be in attendance. HELP YOUR CLUB by donating \$1 for the enclosed tickets.

Thank you for your support and for the contributions you will send.

Virginia Dennis

#### SICK LIST

Received word too late to notify members in the May Chips that Adelene Scott had been in the hospital due to malfunction of a valve in her left ventricle. She is home now recuperating and says it is a very slow process trying to regain her strength. She is hoping that surgery will not be necessary.

(Adelene also wants all her friends know that she will answer your letters as soon as she can.)

Also learned recently that Eileen Lawson has been in the hospital; and she, too, is home recuperating.

Earl O'Cathey has had several flare-ups of his previous illness. He told your Editor that the Good Lord gave him the strength to watch over and care for Opal prior to her hospitalization.

Our Prays and Get Well Wishes go to all & hope that you all keep moving steadily along the "Recovery Way."

\*\*\*\*\*

ARE YOUR PLANS ALL MADE FOR July 30 THRU AUGUST 2, 1979?? SEE YOU ALL IN ST. LOUIS, MO.- ANNUAL GENERAL MEETING & 15TH ANNIV.

### 1st ANNUAL BALLOON RACE

In order to promote the city of Reading, the Penn Square Commission decided on a "balloon race." It was to be called the "Hound and Hare" race. The idea being to launch a balloon (the Hare) from an undisclosed location northwest of the city, which would then float down over Penn Square and release "scents" - small balloon containing fine gift certificates from the merchants sponsoring the event. The "Hare" would be followed by six "Hounds" released a short time after. The quarry was to pick a landing spot at random. The "Hound" landing closest & in the shortest time was to pick up a prize of \$1000.00.

The day of the race - Dawn clear & cloudless, but this was to be short lived in the afternoon by a heavy overcast & a threat of rain. As launch time approached - 5:30 pm-all advantageous viewing spots were taken over by people with their field glasses and cameras. Not having the exact location of launch, much scanning was done. Finally, off in the distance from behind some trees, appeared a yellow hemisphere followed by a green & then a blue, and so on. These were the balloons being inflated with hot air. Eventually all was ready & the "Hare" shot up to about 500 feet and hovered for awhile. It was followed shortly by the "Hounds." Now mother nature took over and instead of a predominate wind from the north, she switched & blew forth from the south. This had a profound affect on the race as they never did get near Penn Square but landed about 25 miles north of the city in a field scaring the cows, and making the farmer very unhappy.

A souvenir of this historical event can be obtained from R. Eisenhower, R.D. #4 Wanner Road, Reading, PA 19606. Price: 15¢ each or 2/25¢ plus SASE. (See pg. 66)

(Signed) R. M. Eisenhower (#814)

\*\*\*\*\*

### WOODEN CIGAR BOXES CAME ABOUT - "OUT-OF-NECESSITY"

No, I am not a cigar smoker; in fact, I do not smoke at all! But I do collect wooden money, & its origin also came about out-of-necessity. It came to my attention that author Tony Hyman introduces readers to aspects of the containers few had noticed before.

Not even a chain smoker of the 1800's could handle a barrel of 3000 cigars in a single purchase, hence the cigar box.

Historically, cigar boxes sprang from the need of retailers for smaller packaging as opposed to the barrel-sized amounts being shipped to them. Wholesalers took care of the problem by buying empty cigar boxes & breaking down the barrels of cigars themselves. This is one reason for the enormity of brand names & variations. At first, no one cared what name was tagged to the smokes.

Later, a Federal Law was passed, requiring factories to package their own cigars. Brand names became much more important and the designs of logos were elaborated. The author distinguishes eight types of cigar packages-the nailed wood with hardwood, the boite nature, the semi-boite nature, chests and cabinets, assortments, novelty packaging, and uprights.

It is estimated that of the enormous amounts of boxes made, five billion have been made in wood alone! So, my dear PHILATELISTS, whether you collect Wooden Money or Wooden Cigar Boxes, as our collector friends will tell you, "WOOD IS GOOD!"

My enclosed wooden nickel extends personal "Good Wishes" and invites you to "Join Us." (See pg. 60)

(Signed) Adelene Scott (#714)

NOTE: Adelene does not charge for her wood issues: but do send a SASE to her at 9657 So. Hamilton, Chicago, Ill. 60645

JULY, 1979

NO. 7

VERNON L. BROWN (#399)

I acquired my first wooden money in February 1932, a 25¢ piece, issued in that month by the Chamber of Commerce, Tenino, Washington. This was two months after I had been selected to be an assistant to Farran Zerbe, Curator of Chase National Bank Collection of Moneys of the World. I had been working at the bank since June, 1929.

As new pieces of wooden money were added to the Chase Collection, I added pieces to my collection. The Saturday Evening Post, of September 6, 1947, printed an article titled, "The Man Who Takes Wooden Money." It was about some of the interesting displays in the Chase Money Collection and my duties as curator. During the thirty-one years I was associated with the collection, over 25,000 new items were added to it.

Also, I gave several hundred talks on money and coin collecting to numismatic, fraternal, school and church groups; and was a guest on many radio and T.V. shows. I have written articles for numismatic

publications, as well as for The Book of Knowledge and The Encyclopedia Americana. A copy of my thesis, "depression scrip," written for my MBA degree from New York University, is in the ANA Library.

In July 1963, I retired from The Chase Manhattan Bank Money Museum and for the next three years I was on the editorial staff of The Coin and Currency Institute, New York City.

My first contact with IOWMC was a meeting it held in conjunction with the Penn-Ohio Coin Convention at Dayton, Ohio in March, 1966. I was impressed by the congeniality of the members and applied for membership.

Because of my interest and exhibits of wooden money, The New York Numismatic Club of which I am a past President, gave me in September 1966, just before I moved to Florida, a "Good Luck Wooden Nickel," nine inches in diameter. On it were the inscriptions, BEST WISHES, VERNON BROWN NUMISMATIST EXTRAORDINAIRE.

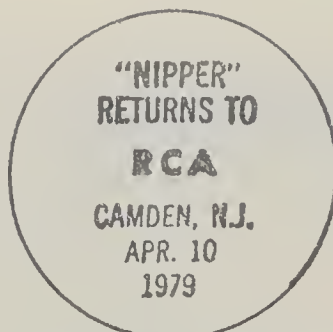

I am a Life Member of the American Numismatic Association, former Governor, was awarded its Medal of Merit in 1950, and participated in five ANA Educational Forums as moderator or speaker. I belong to several other numismatic organizations, including SPMC, of which I am a past secretary and recipient of its Award of Merit.

In 1942, President Franklin D. Roosevelt appointed me to serve on the United States Assay Commission.

## JULY PRESIDENT'S MESSAGE

We will all be getting ready for St. Louis and our 15th Anniversary Get-to-Gether at the Rodeway Inn on August 2 at 10:00 am. In the June issue or this issue you will note how you may purchase the Brunch tickets, etc.

I believe if all of us took some of the extra wood that we have, it would be a good place to exchange, give away, or maybe just add material to the auction that will be held on the date of August 2.

I understand from several of our members that they are having special wood made for the 15th Anniversary of IOWMC. Some of the members will have a special collection on just wood that had been issued for the 15th Anniversary. I understand that Mack, is having a special wood made in behalf of IOWMC to present to the members at the Brunch. If it isn't too late, why don't you put an order in for a rush on special wood to add to the over-all grouping of the 15th Anniversary Wood.

Putting together the plans that go into making a program for the members, I would like to thank those who in any way worked, contributed, or added to the plans to make our 15th Anniversary possible. I could list names of those that gave up much of their personal time, and spent money out of their own pocket to make it all possible but when one starts setting forth names, it always seems that someone is left out of the listing unintentionally, and this I do not want. Therefore, to all of you, THANKS for a job WELL DONE.

As we celebrate our 15th Anniversary, I am sure that other organizations will be celebrating anniversaries - I have been sent a note to the effect that the Framingham Coin Club of Framingham, Massachusetts are celebrating their 20th Anniversary this year. What do you think they are using for its special token - WOOD - not one, but Twenty individual round woods. They tell me that one can purchase this special issue of 20 woods at \$4.00 plus postage and handling of \$1.00 for a total purchase price of \$5. If you would like to have these, send a check to the Framingham Coin Club, P.O. Box 2405, Framingham Center, MASS 01701, and make check out for \$5.00 to the Framingham Coin Club.

In closing this July Message, again, I

repeat - the IOWMC will need an Editor for Bunyan's Chips --- anyone of you who wish to be considered for Editor or know of some one who would be a good candidate for the Editor's position, please write and let me know in care of P.O. Box 39, Webster, Mass. 01570.

Meet you ALL in St. Louis.....

Sincerely,

(Signed) Walter H. Riley  
President - IOWMC

Don't forget to send for your Brunch tickets. Price is \$5. These will be souvenirs in themselves as they are made of wood. Make check out to IOWMC and send to me. It also isn't too late to mail in some auction material, but don't delay as time is running out, unless you plan to bring it in person.

I hope to see many of you in St. Louis, to renew old friendship and make some new ones.

(Signed) N. R. Mack

\*\*\*\*\*

HAVE YOU SPONSORED A NEW MEMBER?????????

ST. LOUIS, ARE YOU READY FOR US???????????

In February, I intended to issue a wood commemorating Captain James Cook's death at Kealahakua Bay, Hawaii on February 14, 1779. However due to illness, I did not respond to Virginia Dennis's request for input for Bunyan's Chips. Five hundred of this wood were made and are available from me for 15¢ each, plus SASE.

There is a wood made by Tolleson Suzuki (motorcycle) here in Wahiawa, which would be of special interest to Ted Wolverton. On one side it says "One Wooden Buck" and depicts a charging brave with a tomahawk in his up-raised right hand. The opposite side says "Good for one pizza slice" at top and bottom and "from Tolleson Suzuki" in the middle. As this is an on-going offer (for pizza), I was able to get only one wood from Mr. Tolleson. Maybe Ted or other interested persons could write directly to Tolleson Suzuki, Sales & Service, 669 Kilani Avenue, Wahiawa, Hawaii 96786.

Another wood issued in Wahiawa is rather interesting. It was issued by Kim's Kitchen and Deli to promote their sandwich sales. In order to obtain several of the woods, I patronized the deli several times and tried some of their sandwiches, which were very good. Evidently there were many people who kept the wood instead of turning it in for a nickel discount because the deli was soon out of wood.

The deli is not named for someone with a given name of Kim. In this instance, it is a surname which is as common in Korea as Smith is in the United States. It is the name of North Korean President Kim IL Sung. The orientals always list their family name first & then the given name. IOWMC members who were stationed in Korea will recognize Kim as one-half of that fiery Korean pickled vegetables called "Kim Chee."

(Signed) Kazuma Oyama (#1020)  
38 Lauone Loop  
Wahiawa, Hawaii 96786

\*\*\*\*\*

HAVE YOU ORDERED A SOUVENIR PROGRAM YET???

J. Douglas Ferguson, Box 38, Rock Island, Quebec, Canada JOB 2KO, writes he wants to buy some Canadian wood for his collection. He needs the 1977 Peace Bridge set (buffalo); Alliston-International Police Stamp & Coin Club; Chelmsford, semi-cent. Charing Cross-Shaffers Paradise Antiques, and Elmira, 1970. Also needs many more Canadian pieces. Will you write to Doug, if you can help him?

.... New member wants wood with club's name, city, and state on them. Write: Thomas M. Corse (#1327), 21 Manor Road, Cranston, Rhode Island 02920

FLOYD COUNTY, IOWA - CHARLES CITY, IOWA

Joseph Kelly was the first white settler in Charles City. He selected the land for a townsite on the banks of the Cedar River. The river crossing here was known as the "Ford" and had been the crossing of the Winnebago Indians. Mr. Kelly returned in the Spring of 1851 but his family did not come until 1854. They erected a log cabin where the Christian Church now stands. In 1852, there were about 25 families living there. Among them was a Mr. Blunt who built the first house on the east side of the river.

Mr. Kelly built a saw mill and a grist mill to furnish lumber to the settlers. He named the settlement Charlestown after his 14 year old son. It was later discovered that there was another town in the state by the same name. It was changed to St. Charles, which was later found to be another duplication; hence in 1860, it was changed to Charles City.

A Court House was built in 1857, the building was 50 x 70 ft., two stories high, including a large fireproof stone vault. It was reported to cost \$18,000. On this same site it has been rebuilt twice. The present one being built in 1940.

The County of Floyd was organized in 1854. Charles City was selected as the County Seat. The first hotel was a log cabin built in 1854. The first post master was selected in 1855. The following year an academy was started. The first newspaper was named the St. Charles Republican, with the first copy published July 31, 1856 and it was auctioned off for \$20,000. The railroad reached there in 1869, connecting Charles City with McGregor. A Fire Company was formed in 1881. The first telephone was installed in 1883. The first manufacturing business was a log dam to run the saw mill for Mr. Kelly. A plow factory in 1870. Farm harrows were made in 1877.

In 1901, a Mr. Charles Hart & Mr. Charles Parr developed one of the first gasoline traction engine for agriculture use. It was produced from 1901 to 1929; and was called the Hart-Parr Tractor and continued by their successors.

The 1965 census was 10,419. Facilities: one airport of 165 acres, 20 Churches, 3 banks, one daily newspaper, post office, and a radio station. Two bowling alleys, a hospital, a park which is located in the center of town, a 18 hole golf course, and 1525 farms.

Industries: The Oliver Corp, which was formerly the Hart-Parr Co. - it is now the White Truck Co. They still make the Oliver Tractors and White Trucks. Dr. Salisbury Laboratories, which manufactures poultry and livestock medicines. Walsh Mfg. Co. which makes small farm equipment. Dr. Mayfield Laboratories which also manufactures poultry and livestock medicines. American Cyanamid Co. farm fertilizers; Sherman Nursery-flowers shrubs, and plants. Sar Hybirds which developed seed corn.

The climatology: Annual temperature 46.5 degrees. Average summer temperature is 71 degrees. Winter temperature is 19.6 degrees; and the rainfall is 31.42 inches.

In May 1969, a tornado hit this town and almost destroyed it. It is still being rebuilt today.

In 1954, they issued a set of six pieces of flat wooden money-consisting of 5¢ Lilac, 10¢ Lilac, 25¢ Lilac; 5¢ Red, 10¢ Red, and 25¢ Red. They were redeemable at face value in cash, until 2:00 pm August 19, 1954, at any of the Floyd County Banks. They were celebrating their 100th year.

(Signed) G. (Corky) Ayers #007)

WILL WE SEE YOU IN ST. LOUIS, MISSOURI, July 30th thru August 2, 1979? DO COME!!!!!!

## DOOR PRIZE DRAWING

Have you mailed ticket stubs and money to Virginia Dennis, 18814 Florwood Avenue, Torrance, CA 90504? Tickets were mailed with the June Chips. All proceeds go into IOWMC's treasury.

Many nice prizes have been received. Earl O'Cathey donated two of his wooden money books; Norm Wells, his latest book on the Canadian woods; Toni Cichy, a hand made macrame owl; Walter Riley (3) medallions and a Pres. Kennedy Timer; and wood issues have been received from Corky Ayers, Mr. & Mrs. Bason, Norm Boughton, Eileen Dwelley, Louis H. Lewry, Lois Morsello, Wayne Dennis, and Earl O'Cathey.

The top prize will be the homemade quilt that Dot Mack is making for the door prize drawing. This quilt and the other prizes are worth more than the \$1 donation.

At this writing 110 members have given cash donations. What a wonderful way to help out the organization you belong to. If you haven't mailed in your ticket stubs and money, why not do it now??? Winner need not be present to win-- prize will be mailed to you.

## SICK LIST

Tom Hudson (C13) had been involved in three freak mop ped accidents, and if that wasn't enough, he spilled hot grease on his foot.

Eileen Lawson (1314) has been in and out of the hospital but is home recuperating now.

Jack Gladfelter (C90) wrote his arthritis has been giving him some discomfort.

Adelene Scott (724) is still under the weather from her present illness.

Sgt. Omer Noel (287) also has been in and out of the hospital. Recovery is a little slow for him but as a tough old Gunnery Sgt. of the Marines, he will make it.

Kazuma Oyama (1020) hasn't been feeling well - a slight set back from his recent open heart surgery.

Our best goes out to all members mentioned and those not. "Best Wishes and Good Health to all.

..... Most of the above members wrote that they are sorry they will not be able to join us in St. Louis.

## Ten Commandments of

### How to Get Along With People

Keep skid chains on your tongue, always say less than you think. Cultivate a low, persuasive voice. How you say it often counts more than what you say.

Make promises sparingly and keep them faithfully, no matter what it costs you.

Never let an opportunity pass to say a kind and encouraging thing to or about somebody. Praise good work done, regardless of who did it. If criticism is needed, criticise helpfully, never spitefully.

Be interested in others; interested in their pursuits, their welfare, their homes and families. Make merry with those who rejoice, with those who weep, and mourn. Let everyone you meet, however humble, feel that you regard him of one of importance.

Be cheerful. Keep the corners of your mouth turned up. Hide your pains, worries and disappointments under a smile. Laugh at good stories and learn to tell them.

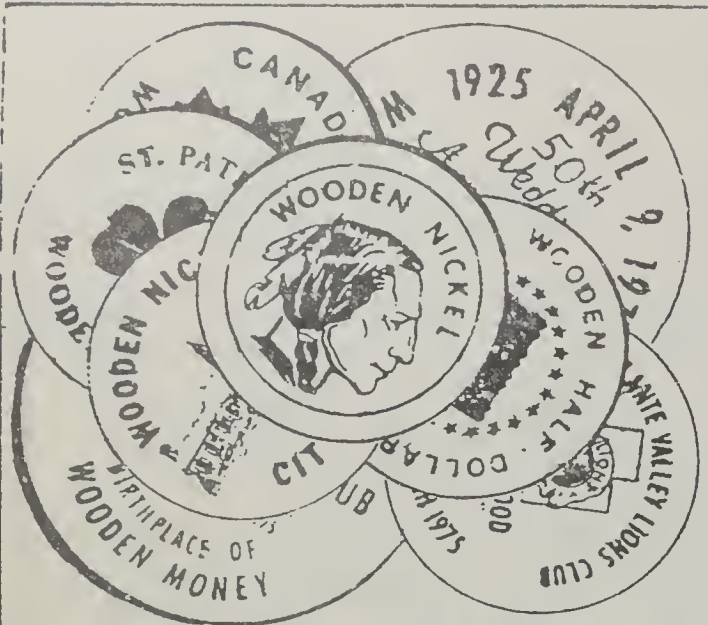

Preserve an open mind on all debatable questions. Discuss but not argue. It is a mark of superior minds to disagree and yet be friendly.

Let your virtues speak for themselves and refuse to talk of another's vices. Discourage gossip. Make it a rule to say nothing of another unless it is something good.

Be careful of another's feelings. Wit and humor at the other fellow's expense are rarely worth the effort and may hurt where least expected.

Pay no attention to ill-natured remarks about you. Simply live so that nobody will believe them. Disordered nerves and a bad digestion are a common cause of backbiting.

Don't be too anxious about what is due you. Do your work, be patient and keep your disposition sweet, forget SELF and you will be rewarded.

NO. 8

THOMAS M. ARMSTRONG (#1053)

Born July 29, 1911 in Winchester, Indiana. Moved around quite a bit. Lived in Michigan for a while, then back to Indiana, then to Pennsylvania (Wilcox and Punxutawney) then to Hartwell and Lockland, both suburbs of Cincinnati, Ohio. Finally to Chattanooga, Tennessee at the age of 12. It took me two years to learn that "damnyankee" was more than one word. Finished High School at the age of 16 and because of the depression, entered the "College of Hard Knocks." Worked in a hosiery mill until World War II, volunteered and got into glider pilot training. Served in Africa, Sicily, England, France, and Holland.

My wife, Ruth, and I were married in 1945. We have a son and daughter, and four grandchildren - three boys and one girl.

We both became interested in coins in 1963.

Ruth became the first and only woman President of the Chattanooga Coin Club in 1966. Presently I am Treasurer of this club and President of the Tennessee State Numismatic Society. I enjoy membership in ANA, BRNA, TSNS, NYSWMS, PWMS, DWMC, AWMG, CLCC, Chief John Ross Coin Club and numerous fraternal organizations. I am now retired from the Chattanooga Glass Company after 29 years and really enjoy having time to attend area shows as well as ANA. I have won numerous first place awards and "Best of Show" in 1977 at the Tennessee State Show.

We have had the misfortune of having our home burglarized, & after the fourth time, we had a burglar alarm system installed in 1973. I think this was what started me collecting wood. About the same time I also started collecting elongated coins.

Collecting woods is a fascinating hobby - giving me many hours of pleasure because there are so many designs available. I, especially like the hand painted woods. I look forward to our annual meeting where we meet so many new people and enjoy the fellowship.

Our daughter just recently moved to Denver; and we are anxiously awaiting Spring so that we can visit her, visit the Denver Mint, and go to Colorado Springs to visit ANA Headquarters.

My one claim to fame is a patent on a Batch Charging System for glass melting furnaces, assigned to Chattanooga Glass Company. The beautiful bronze plaque has a prominent place among my numismatic plaques.

(Signed) Thomas M. Armstrong

## AUGUST PRESIDENT'S MESSAGE

As you read this August issue of Bunyan's Chips, it will be at a later date than our annual meeting, and our 15th Anniversary Brunch in St. Louis; and as I write this article far in advance of August, I venture to say - "that a great time was had by all." The Officers and Board of Governors are happy that the 15th Anniversary could be a special event of the IOWMC this year.

I will be leaving the office of President of IOWMC following this issue of Bunyan's Chips. Looking back, it seems that it was only yesterday that I was elected to office in Houston, Texas, as the 15th President. Following my election and the general membership meeting, I meet with the other Officers and Board of Governors for the first time. I found all of the Officers and the Board of Governors at this first meeting to be very cooperative, and have the interest of our organization and to see that it functioned in the best way possible to make it a viable part of the wooden money collecting hobby. I am happy to state that since that very first meeting, it is my sincere belief that the Officers and Board of Governors throughout this term of office gave the best in the interest of maintaining an organization that one can be proud to belong to. In this message I want to thank them for all the cooperation that they had given to me as President.

Beginning in September, the IOWMC will have new officers, as well as officers who are continuing in office. I hope that each of us will give them any help that they seek in running our organization. I wish them well and much success in this stewardship.

In closing out the President's Message, I must relate to each of you, it was my pleasure to have served you and the IOWMC as its 15th President. I want to "Thank You" for giving me this opportunity.

Happy Collecting,

(Signed) Walter H. Riley  
15th President  
IOWMC

#### NOTE OF THANKS

Earl O'Cathey and family want to thank the  
members and friends for all the wonderful  
cards, letters, and your Prayers following  
the loss of his beloved wife, Opal, mother  
and grandmother. Your kindness is greatly  
appreciated. God Bless you all.

(Signed) Earl O'Cathey

\*\*\*\*\*

#### CONGRATULATIONS

John & Lois Morsello have been exhibiting  
their Tenino woods and winning many awards  
with it. They took Best of Show at the  
MANA Show last year, first place at the  
Garden State Numis. Assoc. and the West  
Chester Coin Club. It is always nice to  
hear that members are helping promote our  
hobby of wood collecting by exhibiting.  
KEEP UP THE GOOD WORK AND CONGRATULATIONS.

\*\*\*\*\*

#### IOWMC AWARDS

Just a reminder that with this issue,  
August, 1979 thru July, 1980, your con-  
tributions to Chips, ie, articles, new  
members, etc. will make you eligible for  
the awards that will be awarded in 1980.

MANY THANKS TO ALL

My THANKS to those on the Patron's List, to those that ordered the Wood Covered Programs, and of course to those that did attend the 15th Anniversary celebration in the form of a Brunch. Do trust all had an enjoyable time (being that this was written well in advance) can only hope all went well.

It was a challenge to me, and am sure that Donna shares these thoughts. Not being close to St. Louis and not having been there in over a decade myself, was hard to visualize what to really do but the entire committee worked hard and well, do believe.

Must not forget to thank all those who did advertise, along with those I thanked above. Did give Walter Scott a real job to do. As yet, without having seen the program, I am sure that Walt and Jack Huggins put out one worth adding to our collection. Cannot say if our invited guests were able to put in appearance during the Brunch, but will thank them for their effort.

In closing, my best to the new officers for the coming year and best of luck to all of them.

After returning home from St. Louis, will have two flat wood issues concerning the 15th Anniversary (at the Brunch everyone received one for attending). The two I will have, will be similar. One will have stamped "Did Not," and the other stamped "Error." These will go for 50¢ for the pair, plus SASE. One set per member, PLEASE!

THINK WOOD, YOURS IN COLLECTING.

(Signed) Stan Brown (#992)  
General Chairman-15th Anniv.  
117 Brown Street  
Elkton, MD 21921

HOME OF THE CONESTOGA WAGON

Designed to travel and stand up in a trackless wilderness without losing their cargo, these rugged wagons were first built by pioneers in eastern Pennsylvania to carry furs & other freight between the Conestoga area (now a part of Lancaster County) and Philadelphia. Appearing in written records as early as 1716, these distinctively American vehicles continued to be popular for transportation until about 1850, when railroads were expanding across the land.

Each wagon was individually built--so there were some variations--but they had several characteristics in common. Most important, they were built sturdy enough to carry heavy loads over rough terrain, yet light enough so that a six-horse team could pull maximum loads.

The sides and bed of the wagon sloped toward the center so that snorting cargo would slide inward, rather than fall out, as the wagon crossed hills and rocky land. On top, the bows followed the lines of the body, slanting outward, and these were covered by homespun fabric or canvas, which was generally white. The wagons were designed and built by wheelwrights (mostly Pennsylvania Germans in the Lancaster area) from locally-grown wood. The iron fittings and fancy trim were forged by the village blacksmith. The body was usually painted a bright blue, and the running gear a vermillion red. Some people suggest that the red, white and blue Conestoga Wagons, passing the Philadelphia upholstery shop of Betsy Ross, influenced the coloring of our national flag.

Our American custom of driving on the right side of the road originated with the Conestoga wagoner, who rode the left rear horse of the team and passed oncoming vehicles on the right, contrary to English custom.

Each horse had a set of bells suspended on a small iron frame, and their jingling was a familiar sound on pioneer roads. If a wagon became stuck and needed the assistance of another wagoner on the muddy, uncertain roads, it was customary to give bells to the person providing assistance. Thus, the expression, "I'll be there with bells on" signified that a wagoner expected to arrive without any mishaps along the way.

## EDITOR'S FINAL COMMENTARY

This will be my last issue as Editor of Bunyan's Chips. I want to take this opportunity to thank the members who have made my task easier by your faithful and continuing contributions, which made the Chips an interesting, reading club bulletin. Being editor is not new to me, but this past 16 months has been an experience and education that I wish you all would undertake at one time or another.

I also wish to thank you all for your support on the Raffle Drawing.

In St. Louis, the newly elected officers will appoint a new Editor; and I know you ALL will continue to give them your 100% support, as you have done to me.

My sincere and gratifying THANKS to you.

*Virginia Dennis*

P.S.: For the present time, you can forward any tid-bits to me and I will pass it on to the new Editor, along with some unpublished articles I have on-hand. Thank You.

\*\*\*\*\*

## IOWMC PRESIDENT'S WOODS

Do you have a complete set of IOWMC's woods? If not, why not write to Virginia Dennis, 18814 Florwood Avenue, Torrance, CA 90504 for the pieces you need to complete your year sets. A few issues are still available (1964 thru 1979) for 50¢ each plus SASE. All money goes into the IOWMC's treasury.

## LOUISVILLE, NEBRASKA

August 5, 1972, Louisville, Nebraska, celebrated their 100th Anniversary. In commemoration of the event, a large wooden dollar was issued. On the blue colored dollar is a scene of Louisville as would be seen from across the Platte River on the north side of town. The smoking stacks of the Ash Grove Portland Cement Co. are in evidence, as are the rolling hills to the south. Above the scene is the inscription, "Beautiful City On The Banks of the Platte." Louisville is also known as the "cement center of the world."

The town which was officially chartered in March 1, 1872, was on the direct route of the early pioneers who crossed the Missouri River at Plattsburgh, on the ferry which was established there. Many of the early settlers recognized the potential of the limestone, gravel, timber, and other natural resources. With the coming of the Burlington & Missouri River Railway by 1880, and the Missouri Pacific Railroad in 1882, marketing of the natural resources of the area became easy, and the town began to flourish.

The wooden anniversary dollars were available in 1972 by writing to Louisville Planning Commission, Henry A. Davis, Louisville, Nebraska 68037 for 35¢ each plus SASE.

Gelvin F. Leeper (#C-250)

The New York State Wooden Money Society had a successful show June 24 in Nyack. Good turnout by members (though the gas crunch kept some away). We expect more at the next one.

I am working on a comprehensive catalog of New York State Wooden Money. I need photo copies of your New York State woods, front and back. Postage and expense will be reimbursed.

My thanks to: Clint List, John Lawrence, Clarence Kramer, Frank DeGilio, Wendell Morningstar, N. R. Mack, Marion Beardsley, for their help with my project this past month.

INTERNATIONAL ORGANIZATION OF WOODEN MONEY COLLECTORS

Vol. XVI

OCTOBER 1979

NO. 9

Roland J. Mantovani #1006

On March 25, 1950, I was born in Brooklyn, N.Y. I have two brothers and still live in the Big Apple.

Graduated from the William E. Grady high school in 1968, after 3 years of study in radio, TV and electronics. Soon after high school, I got a job with ConEd in New York City (ConEd supplies NYC and Westchester with electricity, steam and gas) Because of my high school, I was able to work in the electric engineering dept. My work is in the borough of Brooklyn.

Soon after I started working, I also started night college. One year later I was drafted. Being a high school graduate was of tremendous help to me. I went to radio repair school in Ft. Knox Ky. and then to NCO in Ft. Sill Okla. Eight months later was drafted. I made E-5 Sergeant after NCO school. I remained in the states for a few months and then on to Vietnam

for a year.

I got out of the army in 1971 and went back to work for ConEd and continued on with where I had left off in College. I have now a degree in electrical technology and at present taking courses in data processing.

Noe comes the "Good Stuff". I have been collecting coins for as long as I can remember. Both U.S and world Coins. Which are kept in a bank vault and am sorry to say cannot be enjoyed as much as I would prefer. Also collect foreign bank notes, transportation tokens and wooden money. I started in wood soon after I got out of the army and my collection has been growing every since and now numbers over one thousand round woods and about two hundred fifty flats.

I am a member of I.O.W.M.C. -TAMS-ANA-I.B.N.S.- and the V.F.W.

Am in hopes that one of my future vacations will coincide with the ANA. convention dates so that I will be able to attend the meetings of clubs to which I belong to meet the members. Especially Wooden Money People.

(signed)

Roland J. Mantovani

Submitted by Barbara Trace

President's Message:

Wood like to tell that it was quite an honor that has been reposed on my shoulders, to be the 16TH President of our fine organization. There was a period when thought I would withdraw acception of the nomination But that is all past now and will try to do my best to fulfill this post of honor. Feel free to contact me at anytime if I can be of assistance to you or there are any complaints you wish to make.

You will read else where in the CHIP'S the report of the Secretary so won't go in to all that will say that we have a fine set of officers and appointed ones to carry on for 1979 and 1980.

Be sure to notice we have a new editor for the chip's-please send him some articles concerning woods issued. We all are interested olds and new ones.

Also note we have a couple of new appointed positions-and am sure they will be glad to hear from you too.

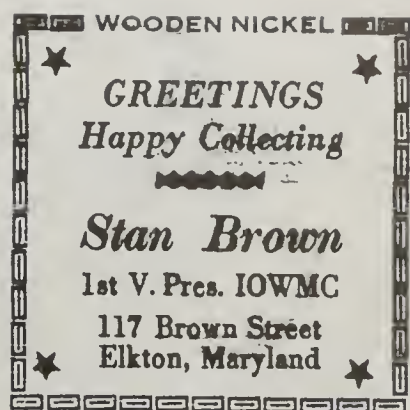

THE BIGGEST AND GOOD NEWS

No increase in dues-to do this we need more members-new or reinstated ones-let all try for at least one.

WILL CLOSE FOR NOW.

THINK WOOD-BEST

Stan Brown

RESPECTIVELY SUBMITTED  
N. R. MACK  
SECRETARY

THE SESSION WAS TURNED OVER TO VIRGINIA DENNIS FOR DRAWINGS AND TO SAN SEIBERT FOR AUCTIONING THE ITEMS DONATED AT THE MEETING.

#### FINAL REPORT - DOOR PRIZE DRAWING

Listed elsewhere is a list of all the door prizes, donors, ticket number, and winners of this drawing.

Total sales (by mail) was \$201; ticket sales at meeting amounted to \$36 = making a grand total of \$237. Approx. 200 members donated.

In addition, few members brought prizes to the meeting; but these were auctioned at the close of business meeting, which netted \$46.20. This material were donations by G. Leeper, T. Cichy, L. Berkie, P. Greenberg, and several unknown donors, whose name I was not given.

A big "THANK YOU" goes out to ALL who did participate. It is members like YOU who will always keep IOWMC the great club it is.

Wish to thank Mayme Scott for doing such a good job selling tickets at the door; and to Sam Seibert, who did an outstanding job as auctioneer. These two members did a great job in 1978, as well as this year.

(Signed) Virginia H. Dennis  
Chairman - Door Prizes

\*\*\*\*\*

#### SPECIAL RECONITION AWARD

On behalf of the Canadian Large Cent Coin Club, Gary Littrell presented a Certificate of Participation to IOWMC for their effort in Coin Week Canada, April 15-21 1979. This very nice certificate was mailed to IOWMC Historian to put it in the records.

\*\*\*\*\*

#### IOWMC's 15th ANNIVERSARY BRUNCH TICKETS

A limited number of this flat wood was unsold for the Brunch-in fairness to those who purchased these, knowing they were unable to attend but still wanted the wood for their personal collection, it was agreed to sell all unsold tickets for \$5. Along with the Brunch Ticket, you will receive a small flat wood. Both flat woods are serialized with matching number. (Featured in August Chips.) Price: \$5 for set of 2. Write to N. R. Mack, P.O. Box 395, Goose Creek, So. Car. 29445.

\*\*\*\*\*

#### SOUVENIR PROGRAMS

Hard back covers of the Souvenir Programs are available for \$1 plus 28 cents postage. (Send stamps only as special envelope is required for mailing.) Write to Virginia Dennis, 18814 Florwood Avenue, Torrance, CA 90504.

\*\*\*\*\*

#### SPECIAL RED WOOD ISSUE - IOWMC

This flat piece of wood was featured in the August Issue of Chips--issued for IOWMC's 15th Anniversary. Price is only 50¢ each, plus SASE. Write: Virginia Dennis, 18814 Florwood Ave., Torrance, CA 90504.

.... DO NOT CONFUSE THIS FLAT ISSUE WITH THE ROUND PRESIDENT'S ISSUE.

Highlites at the 15th Anniversary Brunch.

I hope the Chairman and Co-Chairman, Stan Brown and Donna Streeter, send you a complete report but I did make a list of the door prize winners.

1. Radonna Green
2. M. Fitzgerald
3. Gelvin Leeper
4. Urban Foerster
5. Mayme Scott
6. L. Nerrie
7. Paul Greenberg
8. Jo DeGilio
9. Gary Littrell
10. Ted Wolverton
11. Clara Greenberg
12. Martha Seibert
13. Jim Green
14. Sam Seibert
15. Alva Christenson
16. Walter Scott
17. George Kawola
18. Glen Littrell
19. Marion Beardsley

Master of Cermony was Walter Riley

Speakers : Alva Christenson standing in for Margo Russell (Coin World)  
Urban Foerster, Numismatic News  
Ken Hallenbeck, A.N.A.  
Stan Brown  
Donna Streeter

Each speaker was given a gift and Special Certificate (wood)

All table favors were donated by Avon Products, Stan Brown, Donna Streeter, Dot Orlick, Wayne and Virginia Dennis. (there may have been others but the above I know for sure.) \*\*\*\*

Table center was flowers - all wood. A few selected women were give all wood corsages.

The meal: Orange juice, ham, sausage, potatoes, eggs, toast, biscuits, coffee.

..... Since many of the members did not want to tear up their wood brunch tickets as they wanted them to stay in tact, other tickets were used for the door prize drawing.

..... Special recognition were given to Walter Scott for the wonderful job he did on the souvenir program and to Virginia Dennis, outgoing Editor.-- Standing ovation for both.

..... Sam Seibert was auctioneer. He sold over 250 lots. An excellent job.

Attendance: 60 (I think).

\*\*\*\* In addition to a bag of table favors, many members added their personal woods to the collection.

Virginia Dennis

The above door prizes were drawn directly after the General Business Meeting, Wednesday August 1. Many of the winners were present to accept their prize. THANK YOU to all the members who donated the prizes and to all ticket buyers. It was YOU who made this event so successful.

## IOWMC's 15th ANNIVERSARY BRUNCH TICKETS

### SPECIAL RED WOOD ISSUE - IOWMC

This flat piece of wood was featured in the August Issue of Chips--issued for IOWMC's 15th Anniversary. Price is only 50¢ each, plus SASE. Write: Virginia Dennis, 18814 Florwood Ave., Torrance, CA 90504.

.... DO NOT CONFUSE THIS FLAT ISSUE WITH THE ROUND PRESIDENT'S ISSUE.

A limited number of this flat wood was unsold for the Brunch-in fairness to those who purchased these, knowing they were unable to attend but still wanted the wood for their personal collection, it was agreed to sell all unsold tickets for \$5. Along with the Brunch Ticket, you will receive a small flat wood. Both flat woods are serialized with matching number. (Featured in August Chips.) Price: \$5 for set of 2. Write to N. R. Mack, P.O. Box 395, Goose Creek, So. Car. 29445.

# LIGNADENARIST LINGO

by  
Gelvin Leeper

HAT'S OFF !!, to the Brunch Committee, Program Committee and to every person involved in the planning for the 15th Anniversary Brunch and Meeting in St. Louis. What a superb job the committees did and what a treat for those of us who simply attended and enjoyed it so much.

The annual meeting went off like clock work, thanks to the ability of President Riley. The atmosphere was one of friendship and this has to be marked down as one of our better business meetings.

There is simply nothing in my book, that is equal to the happy moments, of meeting old friends and making new ones, whether it be in the lobby of the Stauffer, Rodeway or on the convention floor. Then there was the after hours good times which took many of our members to fabulous eating houses, such as The Old Spagetti Factory. Some of our members even found time for a tour or two. And I heard about some "wee hour" wood trading involving Royalty, Americans and a Canadian. Of course there may be nothing to it but every time I saw Clarence Kramer and Norm Wells, they both had smiles on their faces.

On that final morning came the Brunch. The food was great, friendship once again prevailed and again the free "give away" wood was in abundance. Then we were also blessed with the attendance of member, Ken Hallenback, representing the A.N.A. and our old friend and member, Alva Christensen, representing Coin World.

One look at the program and you knew that Walter Scott had to be proud of his work, as it was out of this world and a pleasant treat. It can be used as a reference for many years to come, as it gave many pertinent facts concerning the I.O.W.M.C. officers, members, etc.

Again ~~the~~ Walt Riley was superb, this time as the M.C. If there was one single lesson learned that morning it had to be, "Lay off the Beans."

Congratulations, all of the award winners. You and your time and efforts have contributed a great deal to making a successful year in our organization. Congratulations too, to the members who tried but did not win an award, your time and efforts are appreciated also. To the winners in the election and to the losers. You were all needed to make it an interesting and selective election. Stan Brown, our 16th president, you have my support. The line forms right behind me so come on gang, let's make this an even better year for I.O.W.M.C.

## FINAL REPORT - DOOR PRIZE DRAWING

Listed elsewhere is a list of all the door prizes, donors, ticket number, and winners of this drawing.

Total sales (by mail) was \$201; ticket sales at meeting amounted to \$36 = making a grand total of \$237. Approx. 200 members donated.

In addition, few members brought prizes to the meeting; but these were auctioned at the close of business meeting, which netted \$46.20. This material were donations by G. Leeper, T. Cichy, L. Berkie, P. Greenberg, and several unknown donors, whose name I was not given.

A big "THANK YOU" goes out to ALL who did participate. It is members like YOU who will always keep IOWMC the great club it is.

Wish to thank Mayme Scott for doing such a good job selling tickets at the door; and to Sam Seibert, who did an outstanding job as auctioneer. These two members did a great job in 1978, as well as this year.

(Signed) Virginia H. Dennis  
Chairman - Door Prizes

## SPECIAL RECONITION AWARD

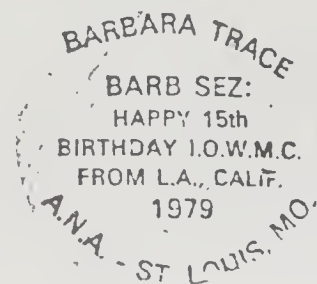

On behalf of the Canadian Large Cent Coin Club, Gary Littrell presented a Certificate of Participation to IOWMC for their effort in Coin Week Canada, April 15-21 1979. This very nice certificate was mailed to IOWMC Historian to put it in the records.

\*\*\*\*\*

## SOUVENIR PROGRAMS

Hard back covers of the Souvenir Programs are available for \$1 plus 28 cents postage. (Send stamps only as special envelope is required for mailing.) Write to Virginia Dennis, 18814 Florwood Avenue, Torrance, CA 90504.

From the Editor

For new issues etc- If you can send a "Wood" with the info. we can Xerox it all wood received will go into a box for next years auction or ?? unless its ARIZONA-- See new issue layout--

Hope you folks that get a reused or patched up envelope dont mind too much.. We used up what we got on hand..and some that were given to us...Price of printed envelopes has gone up to about 3¢ each and 1½¢ for plain-- Its up to the will of the membership what we will do.... Please tell us at once for next issue... If paper goes much higher and labor follows suit its either cut pages, raise adv. or dues...

Anyone sending in typed pages-- we can always reduce the page to fit- so dont worry about going a bit over the column inch...

all for this issue-- H.C.Schmal

\*\*\*\*\*

On the Sick List

Tom Hudson-heart trouble Aug 23--

Clarence Kramer--blood clots in leg, cant walk ???

\*\*\*\*\*

H1 Virginia- Thanks for the many clippings and please forward this to the Bunyan Chips new editor. I wish to thank Tex Ryder for the many photos that he has sent to me for the IOWMC album. I wish that any body having photos of the Convention this year would share them with us for the album , thanks Martha Bevard

LARRY A. RICHMOND

Bradford, Pa.

IOWMC #1308

Submitted by

Barbara Trace

Portrait Chairlady

I was born and raised in Bradford, Pa., where I attended Bradford area schools and graduated from Bradford High School in 1958. and later attended Indiana University in Indiana, Pa.

My early work was in retailing in Bradford stores, I joined Zippo Mfg. Co., maker of the Zippo lighter in 1966, where I worked in the lighter fuel department for ten years. Two years ago I started work for W.R. Case & Sons, manufacturers of Case knives, where I work in the pocket assembly department.

July 9, 1966, I married Jean Button and June 1968 our first chip off the block was born, Todd Alan Richmond. He now attends all stamp, coin and wood shows with me, but hasn't decided to collect. Jean's only complaint, wooden nickels in every room in the house.

My collecting started when I was ten years old. A fellow classmate introduced me to coin and stamp collecting. I enjoy both hobbies to this day. My grandfather gave me my first wooden nickel, as a youngster of 14. Olean, NY. was holding its SesquiCentennial in 1954. I didn't become interested in wood as a hobby until 1972. In 1976 Olean Time Herald, Olean, NY was nice enough to feature full page article on me and my wood hobby.

Wood collecting has become a family affair. My brother-in-law, Ray Spaich, Erie, Pa. took up the hobby, joining IOWMC in 1977. I collect Pennsylvania, New York, oil on woods. One of my collecting goals is to collect the 39 woods of Erie, Pa. I now have 25 of the 39.

I belong to several coin, stamp and wooden money societies. I served 3 years as president of the Bradford stamp club and have won several ribbons for my F.D.R. topical stamp exhibit. Until recently was active in all area stamp and coin clubs, however due to my job on second shift, I am unable to be active in these clubs.

Wooden Money has become my favorite hobby, with other hobbies taking second place. I believe it is the people that make a hobby enjoyable and wood people are the greatest.

yours

Larry A. Richmond

## A THANKFUL THANKSGIVING TO ALL

Wood like to state, do think that we have fine a editor for Bunyan Chips who did an excellent job on his first issue. Do think it wood be nice if oll wrote him o note of thanks. It did look bleak for a time os to having a replacement for Virginia. As he has requested-Let us get him some material to work with.

Wood like to thank Virginia for being so helpful to him in getting the material she had on hand to him so promptly. Also thanks to Dottie as know that she did help Harold-after getting back on her feet. May be every one does nat know but Dottie picked up a bug in Hawaii after ANA Meeting.

May I say here that Marion Beordsley wrote me in appreciation of the Wooden Flower Center that, she won and got back to Fulton, N.Y. safely. Know that Matian was the envy of all the women at the Brunch even Toni Cichy who took almost everything else home to Rhode Island with her.

Thanks to all who have signed new or reinstated members-How about some of the rest of you getting one or two. Looks to me that Wayne Dennis is well on his way ta winning the Award for most of them, as he did last year. Give hpm some tough competition.

Virginia Dennis has agreed to handle the raffle again for next year's convention in Cinannati Ohio. Not os far away as it seems you know. Do you have any duds in Wood or something appropriatel She Wood like to hear from youl

It is good to hear that Tom Hudson is back on his feet. Though taking it easier these days. Also that Tex Ryder is home again from the hospital Try to stay away from there Tex. Clarence Kramer toa is navigating but with a cane for assistance. No traveling of any distance though. How about a ward af cheer to these and any other members that are laid up. That are not known to me? Keep me posted.

Something else everyone might not know Don R. Robb #1286 IOWMC of Waterloo, Canada is the new president of Canadion Assn. of Wooden Money Collectors-our best wishes to you and have a fine year-Don.

As far as I am concerned the convention and brunch for our 15TH Anniversary were well supported by our members and though it has been suggested by several, we have this type of convention more often-am soory to say that it takes quite a bit of work-and unless we have a committee that lives close enough by to handle it-think we should stay to just special occassions. Won't be long till we have our 20TH Anniversary. And there may I recommend, That os soon as it is known-where ANA will hold their convention for 1984 we should start the ball rolling then.

My Very Best To You All,  
Think Wood

Ston Brown

## APPOINTED OFFICERS

Asst. Secretary	D. Mack
Asst. Treasurer	N.R. Mack
Asst. Editor	Dottie Dow

Paul Bunyon Sez:- If YOU want to keep getting "CHIPS", better PAY 1980 dues NOW !!!!!!!

THANKS!! to Werre;Kramer;Brown;Riley; Mack; Dennis;for the "Congrats" on our first issue.... Editors  
Keep the items a coming, and we will have the Best club newsletter issued.. Send what YOU can, if we cant use it we got a big basket #13....Better TOO MUCH than not enough.....

Editors

You must never leave half an eggshell unbroken or you will have bad luck. ■

BARBARA SEZ:

THE BEST THING in life is: the wooden money meetings, especially the annuals at A.N.A., where we travel to and from many states. This year, which would have been my thirteenth convention, I was unable to attend because of my husband's illness.

IT WAS GREATEST ... of all I.O.W.M.C. meetings held to date, so say our members who were able to make it and have written to me about it. They did not complain of one flaw. Their only regret seemed to be that it had to come to an end. It was excitement, fun, good fellowship, good times from the first "hello" to the last "goodbye".

SPOKEN IN LOVE TONES ... is how the fifteenth anniversary brunch is reported. Sixty members attended. That is a goodly crowd as it was closing date of A.N.A. and some had to get an early start for home and work. If only we could manage two conventions yearly!

"HOW SWEET IT IS" ... to finally receive the Outstanding Service Award. I owe thanks by the millions to Donna Streeter, Chairlady, and her committee and to the members who wrote in to nominate me. You are to me like a sudden storm of beauty. Thank you for this honor and happiness.

KEYS TO CANDY STORE ... from letters to date as I write this six weeks prior to October Chips, it sounds to me like all the gals and all the guys attending St. Louis felt like "they had keys to a candy store". What fun it must to have been. This is the stuff of which memories are made.

A WHISPER AWAY ... is the next convention in Cincinnati, Ohio, August 18 - 23, 1980. Time flies so fast it can be considered a whisper away. I hope that all who attended this year, and again as many will be able to attend next year. Start planning right now. It will be worth your while to vacation with the bestest, happiest, nicest wood club in the land. Our very own I.O.W.M.C.

TILL NEXT TIME ... you all stay as nice and sweet as you are. When I write and ask for your portrait, send it to me, will you please. I'll appreciate it.

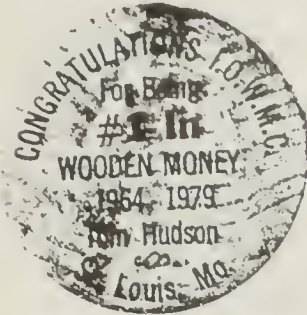

Signed: BARBARA TRACE  
Life Member 9. #481

Bridge connected Lock Haven and Lockport,  
across the Susquehanna River.

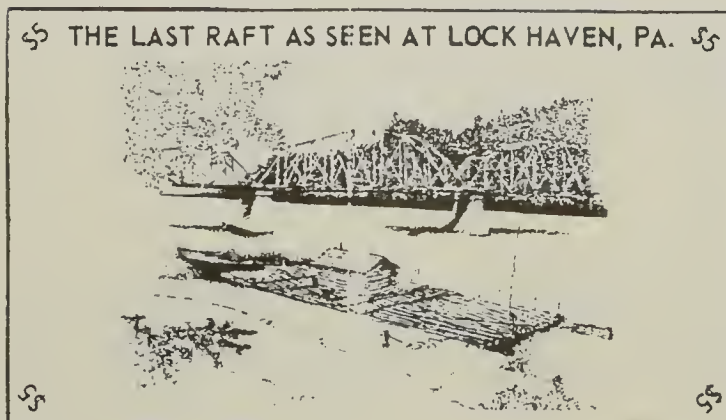

Built in 1853, burned down January 27, 1919; after  
the bridge burned down, the only link across the  
river was by Ferry, until the State erected a concrete  
and steel structure in 1921.

This wood depicting another famous historical Land-  
mark in Clinton County, has been produced for you in  
the year 1977 - by the

Susquehanna Numismatic Association

#2 1977- 425 printed ,25 left 3 for \$1, or 50¢ @ & SASE

The Last Raft left McGee's Landing, approximately thirty miles above  
Clearfield, Penna., on March 14, 1938, to start a two hundred mile  
journey, down the Susquehanna River to Harrisburg, Penna. On March  
20, 1938 the Raft hit the pier of the Muncy railroad bridge head on,  
then was swept around and hit another pier broadside, throwing the  
members of the crew into the river. Seven people died and thirty-  
eight people survived. Two days later the remaining group of the Last  
Raft left to complete the voyage. March 24, 1938 The Last Raft tied  
up at Fort Hunter, several miles above Harrisburg - journey completed.  
The background of the raft shows the Jay Street steel bridge, that re-  
placed "The Old Covered Wooden Bridge" we had on our wooden flat  
of 1977. This wood depicting another famous historical event in the  
Clinton County area, has been produced for you in the year 1978 by the

SUSQUEHANNA NUMISMATIC ASSOCIATION

#3- 1978-425 printed, 200 left, 3 for \$1, or 50¢ @ & SASE

The company was headed by W. A. Simson, W. N. Rankin,  
and R. R. Bridgens. It was organized in 1868 to construct  
a market house. The architect was Patrick Keefe, the  
contractors were Patrick Keefe and P. N. Keller. Charles  
Scheid did the brickwork. They began construction in  
April of 1871 and completed the structure in October 1871.  
The cost of the building was \$20,000 dollars. It is located  
on the southwest corner of Grays and East Church Streets,  
Lock Haven, Pa., Clinton County. The Building still  
stands today and is the home of the Zimmerman Brothers,  
Wholesalers of Groceries, Canned, and various other  
items. This wood, depicting another historical landmark  
of Clinton County has been produced for you in the year  
1979 by the - SUSQUEHANNA NUMISMATIC ASSOCIATION

Only twenty one Rochester Numismatic Association, cancelled variety, wooden nickels exist of the 5,000 originally produced to help celebrate the 1,000th meeting on May 23, 1958.

Rochester, N. Y., a city of about 160,000 population in 1958, is also the home of Eastman Kodak Company with its 38,000 employees and a goodly number of coin collectors. It is easy to see that a large number of coin club members were Kodakera and a large number of the commemorative wooden nickels circulated at Kodak Park, Hawkeye Camera Works, and the various offices and laboratories. Most collectors gave the nickels away. No one dreamed that any of the nickels would be redeemed for 5c, as the reverse of the chip stated. However, one Kodak employee collected 21 of the wooden nickels and waited until the last day for redemption before he visited the bank to pick up his \$1.05.

Just minutes before closing at 3:00 P.M., a flustered teller at the East Avenue Branch of the Genesee Valley Union Trust Company turned to Vice President Edward F. Meinhart for advice as to what to do. A man wanted to redeem wooden money! Empowered by the Rochester Numismatic Association of which Ed Meinhart was a member and former president, he accepted the 21 wooden nickels and paid for them out of his own pocket. He then took a round, rubber stamp from the rack in his Loan Department and cancelled them all as "Paid."

At the next meeting of the Coin Club at the Rochester Museum of Arts & Sciences on East Avenue, Meinhart brought the nickels in to be placed in the regular auction. The pieces brought modest prices at auction ranging from 20c to 35c, as I recall. John Pittman and Ed Quagliana both acquired two pieces, the other 17 pieces found 17 owners.

The cancelled pieces are scarce. They cannot be duplicated or reproduced for time has seen to that. Ed Meinhart died a few years later, the bank no longer exists, since it is now a Marine Midland Branch, and the rubber stamp has bit the dust.

The Rochester Numismatic Association celebrated its 1,000th Meeting with an elegant banquet and important guests, and went on to celebrate its 50th Anniversary in 1962. It is the oldest coin club in continued existence in America. Others may have begun before 1912 but have experienced breaks in their continuation or have folded. Its Junior Club, with a separate meeting date and general individual independence, is sponsored by the parent group. This youth organization boasts 32 years of continued existence and credits our banker friend, Ed Meinhart, for its beginning.

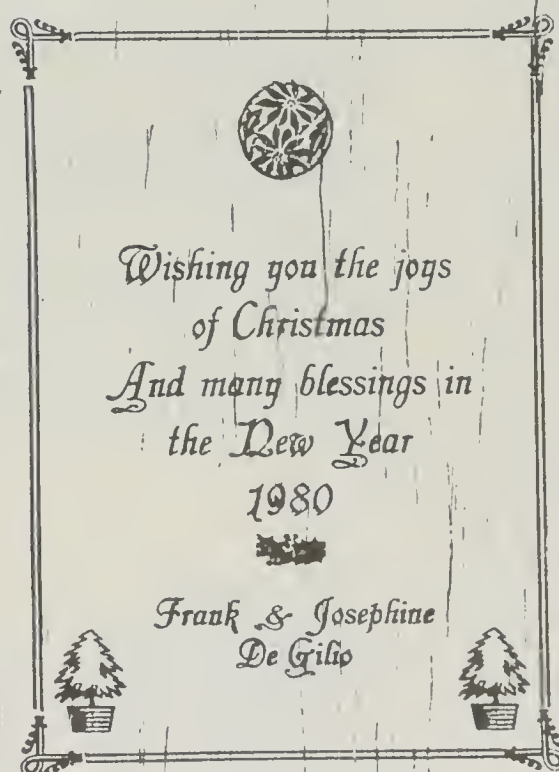

Not all of the wooden nickels got into circulation. The designer of the piece, Burdette L. Nash, deceased, bought a large number of the nickels at the end of the celebration. He proceeded to paint them bright colors and to use them as poker chips. You might say a continuing use in the interesting saga of the Rochester wooden nickel story.

## THE SCARCE CANCELLED ROCHESTER (N.Y.)

### WOODEN NICKEL STORY

by Ed Quagliana

All rights reserved

Xmas First from Frank,  
he has 7 diff. for sale

Valentine, Nebr., capitol city of Cherry Co. in "Gods Own Cow Country" was incorporated Jan. 8, 1884.

The birth of Valentine was actuated as a result of several factors. Among them was the repression of the great Sioux Tribe and their confinement to the Rosebud Indian Reservation in 1878, by the government, to permit the county to be settled by white people. Another was the change from "Open Range" cattle raising to homesteading during the 1880's.

As the new town began to flourish because of the trek of pioneers from the east and south to gain federal land from the government, a railroad was built to service the new country and replace the ox and mule drawn freight wagons coming from the eastern points. In 1883 the railroad accomplished the crossing of the Niobrara River over a hand built wooden trestle bridge. In 1910 the wooden bridge was replaced by the third tallest steel ~~bridge~~ railroad bridge in the U. S. at that time.

Visualizing a natural townsite between the Minnechaduzza and the Niobrara, David Mears, a railroad surveyor, filed on a homestead in this area. The town came into being when the first buildings were erected in 1882. One of the first buildings was the post office. With the arrival of the railroad, other businesses including grocery and hardware stores, livery stables, harness shops, saloons and churches began to flourish.

Fort Niobrara came in advance of the town and was located 4 miles east of the townsite. It consisted of 54 sections of land and was established April 22, 1880. It was a most valuable asset to the settlers, in that it provided a market for wood, hay, grain, poultry and dairy products. ~~XXXX XXXXXX~~ The Fort was officially abandoned Oct. 22, 1906 after serving it's purpose to control the Indians, protect the settlers and make sure that none of the Indians starved. The fort's 16,000 acres were retained by the government for a national game preserve on which small herds of buffalo, elk, deer, antelope and long horned Texas cattle still roam today.

Valentine was named in honor of congressman E. K. Valentine, who represented Nebraska's third congressional district. Cherry Co. received it's name from Lt. Samuel A. Cherry who was killed in the line of duty while stationed at Ft. Niobrara. Valentine has become the leading trade center in Nebraska's largest county which is mostly devoted to the cattle industry.

The early pioneers were a hardy set, as even todays residents must be. The Cherry Co. region is located in the "Sand Hills" section and the ~~sand~~ consists of fire sand piled by the wind. The sand was formed into low hills and into ridges many miles long and several hundred feet high. The grasses that cover the Sand Hills hold most of the sand in place unless overgrazing by cattle occurs. The wind then cuts large holes called blowouts into the hills when this happens. The area is exceptional cattle country because of the many flowing streams, abundant well water and grasses.

In 1959 Valentine celebrated their Diamond Jubilee, the theme of the big event was "Wagon Wheels to Wings" due to the fact that only one year earlier their Chicago N.W. railroad mail service was replaced by Frontier Airlines service. Two wooden nickels were issued for the jubilee, one red and one bgreen, both with the same Indian design reverse, and a common printed obverse. More than a little of the old west frontier days remain in Valentine and Cherry County today. The cowboys, coyotes and rattlesnakes re still there and so are some of the Indians.

EILENE DWELLEY

## Show draws collectors

The annual Tenino Wooden Money Show drew a small but enthusiastic crowd at the Tenino Elementary School Sunday. Collectors attended the show from Seattle, Port Townsend, Olympia, Shelton, Quinalt, and Tacoma to buy and sell wooden money and inspect displays of both coins and wooden currency.

Coming the longest distance for the annual event was Bill Felst of Santa Rosa, California. Felst regularly makes the long drive for the show and as a dealer in wooden

money is always delighted to pick up new Tenino material. A considerable number of original pieces of Tenino wooden script changed hands at the show.

Displays included a complete set of walking Liberty half dollars by Nina Nystrom, an exhibit of wooden money of Canada by Allan Nystrom, a tax token display by Les Albright, holiday wooden money by Bill Felst, and displays of Tenino issues by Eilene Dwelley and Dora Major.

The Tenino Wooden Money Society is now selling the 1979 issue of their annual set of wooden money. The three-piece set consists of 25-cent, 50-cent, and \$1 denominations with a reverse design similar to one of the original pieces printed during the Depression years of 1932 and 1933.

The first sales of the new issue were made at the Tenino Wooden Money Show on September 16, and they are now available by mail from the Society at Post Office Box 581, Tenino, Wa. 98589, or may be purchased in Tenino at Hedden's Pharmacy, the Bank of Olympia, or The Tenino Independent. The sets are \$3 and mail orders should be accompanied by a self-addressed stamped envelope.

Due to difficulty in obtaining wood for this year's issue, only 300 sets were printed, so serious collectors should send their orders in promptly. This issue also terminates a series that began with a letter beside the serial number. With the complete set the letters spell out "TENINO". Next year the new series is expected to change in size and format.

Over the past few years, proceeds from sales of the sets have provided the Tenino Wooden Money Society with more than \$4,000 to donate to the Tenino Museum in outright funding and in displays and equipment.

Help Wanted by the PNNA on the TENINO Wood, 5¢, issued by Don Major...A-1970 ad offered one signed by Anthony Horn..Who was he ???Do YOU have a xerox copy for us!!!!...of the wood...

XMAS ISSUE, next month, we need items, articles on XMAS by Nov.15th

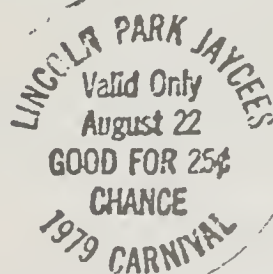

Enclosed please find a wooden nickel issued by Lincoln Park Jaycees for their 1979 carnival. This nickel was good for 25¢ chance and was exchanged for a \$1.00 coupon in local newspapers.

As a member of the Lincoln Park Jaycees and a member of IOWMC I am selling these wooden nickels in order for the Jaycees to recover their cost. I would like to offer to members at a cost of 10¢ each with SASE or for trade on a one for one basis with SASE. I also have available for sale the only other wooden nickel I know of that has been issued in Lincoln Park, a fiftieth anniversary piece issued in 1972 showing the borough seal and on the reverse a beaver on a dam. Prior to 1922 Lincoln Park was known as Beavertown.

I offer these for sale on the same basis as the above.

Perhaps you can pass this information along to the new editor of Bunyan Chips.

D. A. Runfeldt  
P. O. Box 74  
Lincoln Park, New Jersey 07035

ATTENTION PLEASE !!!!!!!

In consideration for the majority who DON'T, will the minority who DO, please refrain, to the best of their ability, from doing so.

Due to the smallness of the area in which all of us are now occupying, if those that do so, DO, than those that DON'T, will against their will, also DO. So contrary to our so called "Democratic Rule", the MINORITY will over rule the MAJORITY.

**CAUTION!!**  
**YOUR SMOKING**  
**IS HAZARDOUS**  
**TO MY HEALTH**

ALVIN "Rabbit" PHARO  
Cherry Hill, N.J.

IOWMC #1066

I was born in Camden NJ June 1907, graduated ,HighSchool in 1926, then various jobs during the two "Depressions", house to house, vacuum cleaners, magazines, Philco storage Battery, then to RCA.. In War II, when I was classified 4-F ,and got a job at the New York Shipyard until Uncle Sam beckoned. Was in an Ordance outfit and served 25 months in India until released as too old. Arriving at New York Harbor, I saw the Statue of Liberty, then down to the "head" to get warm. It was 48 degrees, but the months in 110, had taken their toll, We were still in wool outfits and were stil COLD..

After my knee operation. Tess and I were married on my Xmas 10 day pass, Dec 13, 1945. After discharge in 1946 I went to work for the Langston Co. as a milling machine operator. Those tools are high and a short person like me (5'5") has to use platforms. The power saw operator saw me and said "Look at that G-D!!" jumping up and down) The name stuck .. As the sec,y of our shop Yearly those sick would phone and if Tess answered, would ask if she was Mrs. Rabbit.

We moved here in 1953 the same year we "lost" mom, when Cherry Hills was Delaware Twsp. I retired in 1972 and would purchase woods shown in Coin World. Saw one that a Barbara Trace had but no address. By writing Bill Fiest and Sally Kirka, I located Barbara. And joined IOWMC in 1975. Then PWM and CWMA.

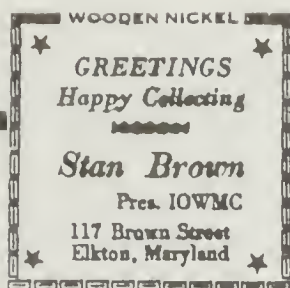

I am active in 3 coinclubs, as much as my emphysema permits. I am eager to see what the mail brings from the fine persons and latley the most understanding people in the world. One shelf is sagging from the unanswered letters.. Have had the pleasure of meeting many of the members, both here and at Reading (PWMS) and my one time at the Convention in 76. Was 3 days recovering from that one (IOWMC).. Will always treasure the memory of those I knew thru their words or letters.. Would you believe that I do not have an Index or a complete list of Dupes?? But all of it is Great..

P.S. Tess does insist that I make my bed. Have to, that is where I put my albums when I work on the Woods.

Submitted by Barbara Trace, Portrait Chairlady

As this is written - Halloween with all its glory and haphazard customers have done their thing and Trick or Treating is over for another year. It was amusing to see the different costumes that gathered at intervals for their hand-out - most of them very polite, too. How I would have liked to go back a few years and joined them. Oh, for the Fountain of Youth. Please let us not forget that we need them in our organization to be the leaders when a good portion of us will not be around to assist them in carrying on for us. Get them started right - NOW.

Found it very enlightening the other evening to be invited to attend the Wilmington, Delaware Coin Club meeting to speak to them on wood, money and medals. Tho the club issues wood for their show each January, very few of their members realized that these were actually collectibles. Had many questions to reply to. The couple albums plus the wood medals brought were very carefully examined afterwards.

To date have only heard of one of our members that has been quite ill. Larry A. Richmond, #1308, of Bradford, Pa., has had pneumonia. Now back home recuperating. We wish you well Larry. Am told that C. Kramer did attend the last PWMS meeting and is improving. Tex Ryder says he is coming along slowly, tho finds it rough trying to write much these days. Also understand T. Hudson is navigating in a slow sort of way. Virginia Dennis' problems seem to be straightening out - Best to all from us all.

Glad to see the new members still coming in. Keep it up all of you that have gotten one or more, and those that haven't as yet try a bit harder. Membership is all that will keep us solvent. Would hate to have Mack suggest a dues raise at the next Board meeting.

#### FORGET

Forget the slander you have heard,  
Forget the hasty, unkind words,  
Forget the quarrel and the cause,  
Forget the whole affair, because  
Forgetting is the only way  
Forget the trials you have had  
Forget the weather, if it's bad,  
Forget the knocker, he's a freak,  
Forget him seven days a week;  
Forget the gray lines in your hair,  
Forget you're not a millionaire,  
Forget the coffee when it's cold,  
Forget to knock, forget to scold,  
Forget to even get the blues,  
But don't forget to pay your dues!!!

In closing: May each and every one of you and yours have a very Joyous Christmas season. God Bless you all.

Think Wood  
Stan Brown

NEW BALANCE: \$518.94

SAVINGS ACCOUNT: \$1135.43

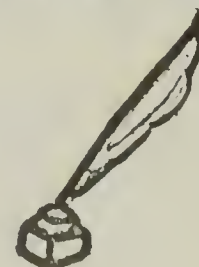

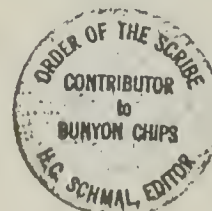

IOWMC LIFE MEMBERSHIP ACCOUNT: \$250.00

### The "ORDER of the SCRIBE" wood....

In a effort to get more members involved in "CHIPS", the editors ,have made up a especial wood for those that help make our monthly paper outstanding.... NOW this DOES NOT, in any way replace the annual awards for articles etc... but we hope to encourage more members to send in items of interest, even the small ones make space fillers... And of course every one must have one of each point value(1-2-3-)for thier own collection....

To get One Point send in any item of interest , see back issues. On new issue woods, send a wood, 2 if the reverse is not a stock issue, along with info on who, where and how much... And a  $\frac{1}{4}$  page story with it rates 2 points,  $\frac{1}{2}$  page is 3 points, plus another point if CAMERA ready copy is sent..

The editors will give a nice gift to the top 3 point holdere in Dec.1980, and best of all you get to keep your "Scribe" points for a display,etc...each will be dated, etc...see Photo...Only exceptions will be items that are produced by committe pereons subject, such as Barbara Trace portraits , Greenberg,mavericks, etc... but anything else they send in will earn points.... We only got 500 woods, hope we use them all before Dec. 1980....

### Ravings from the EDITOR

Writers of articles,etc, --will notice that we print the TYPED ones first..for mostly all that is needed is reduction and paste up..I have trouble reading WRITING and in some cases , I am unable to decode so I return the letter with a BIG ??in red...My "fist" as it is , is BAD, so I type most of my longer notes.. At the present time we have 5 nicearticles, but they need decoding to be typed...And its mostly the men that scrawl...Its not proper to mention names in a paper like this...but PLEASE folks if you must write, please PRINT the vital info...

BARBARA SEZ:

**THE KING'S BIRTHDAY ...** There has been but one king of wooden money during the long history of the I.O.W.M.C. and he is Clarence Kramer, who is now serving as Second Vice President and is a Past President.

An open house birthday party was given by daughter June and husband Wayne Goldsworthy in honor of the King's birthday. Open house turned into a full house with a delicious mixture of friends and collectors. I doubt another will ever wear this official I.O.W.M.C. crown during Clarence Kramer's life time. He wears well and wears the crown well. Long Live the King!

**A THOUSAND WELCOMES ...** President Stanley Brown. We are happy to have you as our leader for the year ahead. We feel you will serve I.O.W.M.C. faithfully and well. May the year you serve in the highest and most prestigious office in our organization remain forever a fond remembrance in your garden of memories. We applaud you, Mr. President.

**HOPES and DREAMS DEPARTMENT.** July 30 to August 5, 1984 will be giant days for I.O.W.M.C. members. That is the year we will celebrate our 20th Anniversary in Detroit, Michigan, in conjunction with A.N.A. Ultimate efforts should be put forth to make this gala occasion the most brilliant and successful of all annual affairs.

**WINTER HOLIDAYS ...** A reminder. The mid-winter A.N.A. convention is scheduled for Albuquerque, New Mexico, February 15 - 17, 1980. The following year, February 5 - 8, 1981, A.N.A. will have its mini-mid-winter convention in Honolulu, Hawaii. Many I.O.W.M.C. members and also our Club is affiliated with the American Numismatic Association.

**SMALL WORLD ...** It is almost an unbelievable coincidence that two residents living in the tiny town of Elkton, Maryland, population 6000, are both presidents of Wooden Money Clubs at the same time. Our own Stan Brown heads the oldest and largest wood club (us). Mayme Scott, an I.O.W.M.C. member is "Madam President" of Dedicated Wooden Money Collectors. Each club has its own special charm and character (the Presidents too).

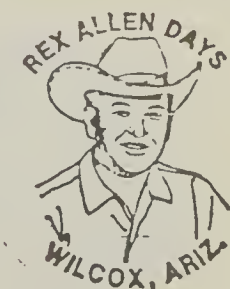

**AM BIDDING FAREWELL...** to 1979 soon. Before I do, I wish YOU and your dearest ones a MERRY CHRISTMAS. May your Holiday be bright with happiness, warm with love and friendship, and festive with the traditional joys of the season.... "See you next year!"

#### NATIONAL CLAY WEEK FESTIVAL.

Uhrichsville and Wrennison are located in the heart of the historic and beautiful Tuscarawas Valley with all the history, beauty, points of interest, and recreation. Located within 15 miles of five of the Muskingum Watershed Conservancy District Lakes that afford residents and visitors alike with skiing, fishing, swimming, sail and motor boating. Tappan Lake has the highest horsepower rating (120) of all the lakes.

The National Clay Week Festival held annually the second full week in June is one of Ohio's largest. It commemorates the history of the Clay Pipe Industry and pays tribute to the clay workers and their families. It is a member of both The Ohio Festivals and Events Association and The International Festival Association.

During the festival tours can be made: Tour one - The Old Timers, Tour 2 - The Historian, Tour 3 - The Clay Plant Tour, Tour 4 - The Baseball Tour, Tour 5 - The Time To Relax, Tour 6 - The Camper Pleaser.

#### " Is There a Santa Claus? "

(This famous editorial first appeared in the New York Sun, September 21, 1897)

We take pleasure in answering at once and thus prominently the communication below, expressing at the same time our great gratification that its faithful author is numbered among the friends of The Sun:

Dear Editor:

I am 8 years old.

Some of my little friends say there is no Santa Claus.

Papa says "If you see it in The Sun it's so."

Please tell me the truth, is there a Santa Claus?

Virginia O'Hanlon  
115 West 95th Street

Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe what they do not see. They think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's are little. In this great universe of ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

Not believe in Santa Claus! You might as well not believe in fairies! You might get your papa to hire men to watch in all the chimneys on Christmas eve to catch Santa Claus, but even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign that there is no Santa Claus. The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders there are unseen and unseeable in the world.

You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived, could tear push aside that curtain and view and picture the supernatural beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else real and abiding.

No Santa Claus! Thank God he lives, and he lives forever. A thousand years from now, Virginia, nay ten times ten thousand years from now, he will continue to make glad the heart of childhood.

## Where Did You Get A Name Like The Dalles?

We think the best explanation came from an address delivered by Dr. William C. McKay to the local Ladies Aid Society in 1869: "The early French voyageurs knew the falls of the Columbia at the Indian fishery six miles above this place as Le Dalle, signifying a trough—literally the trough of the Columbia. It has always been regarded by them as the most dangerous point in navigating the river, and it was customary at the proper stage of the Columbia to run their boats down the rapids, which always required great courage, dexterity and experience. But often, with all these accomplishments, many a poor voyageur found a watery grave in the whirlpools, and none can tell of his resting place. Within my own recollection many have perished in its turbulent waters. It is a noted point and much dreaded by them; consequently they gave it the name of 'Le Grande Dalle de la Columbia'—The Great Trough of the Columbia." It is now covered by the pool behind The Dalles Dam.

Directly north of the Chamber of Commerce building on the bluff above the edge of the river, Lewis and Clark camped on the night of October 25, 1805. Having that day taken their large canoes through "this bad whorl and Suck" of the great rapids, they were gratified to find that "the river widens and becomes a butiful jentle stream of about half a mile wide."

Six years passed before another man, David Thompson, journeyed down the river for the Northwest Fur Company, followed two years later by Dr. Marcus Whitman, the Rev. H. H. Spalding and their wives, these latter the first white women to cross North America. In 1838 the first Methodist mission was begun at The Dalles. At the intersection of Twelfth and Court streets is the graceful, natural pulpit (14) which was often used by early missionaries preaching to the Indians and which is today used for inter-denominational Easter sunrise services.

Eight hundred people arrived on the first wagon train in 1843. The initial survey of the country south to California was made in this year, and in 1845 Samuel Barlow opened the first overland route to the Willamette Valley, a toll road which curved south of Mt. Hood, portions of which are still visible to the modern explorer. This road has been marked and can be traveled during the summer and early fall.

Captain Fremont with Kit Carson arrived in 1843 and departed for California in October. His log of the trip was based on mileage from The Dalles on the Columbia.

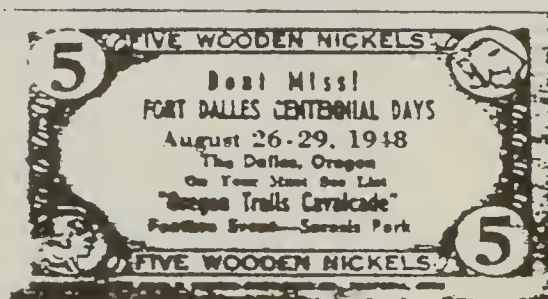

In 1847 a tragic massacre of the Whitman mission at Waiilatpu resulted in the raising of a volunteer regiment from the Willamette Valley to build a stockade at The Dalles, followed in 1850 by a regiment of Army Regulars from Fort Vancouver which established a military reservation of 10 square miles. A primitive facility until 1856, Fort Dalles changed rapidly with the arrival of Captain Thomas Jordan, a man noted for his luxurious tastes who "expended large sums of government's money in the erection of showy and ornate houses." The sole remaining building is the old Surgeons Quarters which houses the Fort Dalles Museum.

In this handsome structure are housed the memorabilia of the early decades of the community. The post was abandoned in 1866 when it became obvious that the Indians intended no further hostilities.

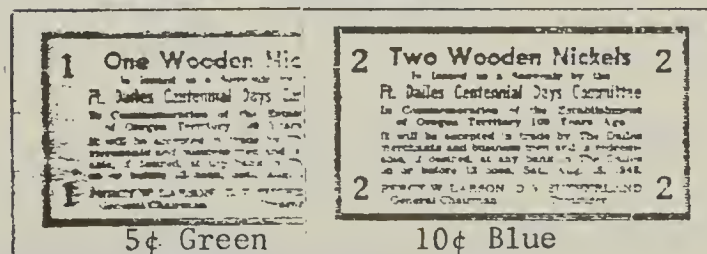

After 1850 the pace quickened—1851, first post office, first steamboat above Cascades—1854, Wasco County, largest ever in nation, 130,000 square miles.

Gold was discovered in Eastern Oregon and Idaho in 1860 and the town boomed as outfitting center and jumping-off place for would-be miners. Among other splendors of this period were some 25 saloons. On the north side of First and Washington Streets is the last remaining building that was used as provisioning store for the gold miners of the 1860s. This building also housed the Post Office and ticket office for the old river steamboats. During this period, 1866, money was appropriated by Congress for the construction of a building for use as a Mint. The building never was finished.

Today the town at the end of the Oregon Trail is the hub of a thriving agricultural industry, consisting largely of orchards and wheat fields, which may be seen on the very fringes of the city. On the east end of the community is The Dalles Dam, one of the massive links in the chain of multipurpose dams along the Columbia. Also the northern terminus of the world's largest inter-tie direct power system.

25¢  
Red

Above pictures are reduced. A three piece set of wood was issued to commemorate Fort Dalles (Oregon) Centennial Days on Aug. 26-29, 1948.

## NEWPORT BY THE SEA

by Toni Cichy

#929

Pack your bags, dearie, and come to beautiful Newport by the sea where the air is pure and the "lobster, flounder and swordfish slept last night in the bay". Newport had the distinction of being the first summer resort in North America when the sea captains brought passengers from the Carolinas and the Carribean who wanted to get away from the fever, heat and humidity of the tropics.

Newport was one of the five most important settlements in the 13 colonies, sharing honors with Boston, New York, Philadelphia and Charleston. The finest craftsmen in furniture and silver worked here before the Revolution. Since ship-building was a "natural" for a location with an extensive coastline, Newport became a wealthy Community by the early 1700's. The extensive foreign trade added a cosmopolitan atmosphere to the community and summer visitors enjoyed an advanced cultural society that has continued to this day.

When the colonies rebelled against Britain it was natural that the merchant ships of Newport were hastily outfitted for war and became the Colonial Navy. To this day the Navy still has an impressive base in Newport with its Underwater Systems Research Center, The War College, Officers Candidate School, Regional Medical and Dental Installations, Naval Legal Services, Destroyer School and the Naval Justice School.

The breathtaking views of the sea and the wonderful climate brought many rich people to Newport during the 1800's to build their "summer cottages". William Wetmore, who made his fortune in the China Trade, built Chateau-Sur-Mer which is a fine example of lavish Victorian architecture. Edward Berwind, a Philadelphia coal magnate, built the Elms modeled after a Chateau near Paris. In 1892 William K. Vanderbilt built the Marble House. Even at that early date the Italian marble for the house cost 5 million dollars. This is one of the most lavish of the "summer cottages", with its pink marble walls, gold leaf trimming and its beveled glass, and has all of its expensive original furnishings. Rosecliff was built for Mrs. Hermann Oelrick and patterned after the Grand Trianon at Versailles. Mrs. Oelrick's house became the scene of brilliant entertainments, with foreign musicians and opera stars helping to bring Old World culture to the "new republic". In 1895 Cornelius Vanderbilt built the Breakers which was designed after a 16th century Italian Palace. The owners of these huge and lavish houses spent about 6 weeks during the summer months in Newport with a continuous round of parties, catered dinners and Balls before returning to New York, Philadelphia or their plantations.

Since yachting is a rich man's sport, Newport was a natural setting for events like America's Cup Races, Tall Ships and various Newport to Bermuda races. Here is berthed replicas of the Sloop of War Providence and the HMS Rose, two of the ships that played important parts during the Revolution. Now there are "windjammer cruises" out of the port, excursion boats, "party boats" for deep sea fishing jaunts, scuba diving, surfing and sailing.

The City of Newport also has a New York style disco, summer theatre, golf,

pari-mutual "Jai Alai", Tennis Hall of Fame, opera and music festivals, antique car museum, and Hammersmith Farm -- the former home of Jacqueline Kennedy. Each July the Pop stars come to Newport for the Jazz Festival.

Other people, more interested in history, visit the Old Colony House -- the nation's second oldest Capitol Bldg.; the Redwood Library -- the oldest library in continuous use; Touro Synagogue - America's oldest Jewish House of Worship, Trinity Church where George Washington worshipped and the White Horse Tavern -- one of the oldest taverns in continuous use, and of course the mansions.

Then there is the waterfront with its Brick Market and quaint little gift shops and seafood restaurants. The Black Pearl serves a particularly delicious clam chowder, Courtney's, overlooking the Bay will serve you lobster to order and Silais restaurant with its diversified menu.

is there

The Newport Shriner's issued a wooden nickel in 1961 for its 75th Anniversary but, try as hard as he could, Sarge Noel has been unable to locate even one. Guess it was just one more case where the good old Yankee, thinking it was nothing but worthless wood, threw it into a box or drawer and forgot about it. Truly, what is one man's trash is another man's treasure. Should anyone out there have one they don't want, please contact either Sarge or me.
